

# BUSINESS PILOT: THERISA TAGOE

## THE MISSION BRIEF (ABOUT)

A dynamic communicator & decorated speaker, Therisa delivers more than just a keynote; she delivers a roadmap with actionable, human-centered insights. Whether she is discussing the evolution of fear or the benefits of business strategy, Therisa captivates audiences by challenging the status quo. She doesn't just share success stories; she provides the blueprint for building a legacy that is as functional as it is impactful.

## SIGNATURE KEYNOTE: FIRE THE FEAR, FUEL THE FLIGHT

Fear is the "engine light" that stops entrepreneurs from taking off. This keynote provides the roadmap to acknowledge fear, override the system, and execute with precision. Transform fear into fuel with a proven 6-step framework. Learn how to re-calibrate your mindset, eliminate limiting beliefs, and create the mental clarity needed to accelerate your business growth and personal success.

## CORE TOPICS

### The CEO Flight Path: Business Pilot Framework

Navigate the complexities of organizing your scattered ideas of your business with confidence. Discover strategic frameworks for making decisive decisions, building resilient teams, and maintaining clarity when the path forward isn't clear.

### Master Your Mindset, Master Your Business

Close the gap between what you show the world and what's really happening behind the scenes. Master the mindset work that directly impacts your business results, revenue, and leadership effectiveness.

### Strategic Takeoff: Scaling with Precision

Scale your business with intention and precision. Move beyond reactive growth to strategic, sustainable scaling with proven systems, processes, and leadership frameworks that compound over time.
