KLEIN RIVER BOAT ASSOCIATION (KRAB)  
BOAT PERMIT FOR THE KLEIN RIVER (AREA 16F)  
Non-Transferrable

**CODE OF CONDUCT FOR USE OF THE KLEIN RIVER**

This byelaw defines the code of conduct to be used on the Klein River by al members of KRAB.

1. Failure to comply with the following code of conduct, inappropriate behaviour or the receipt of a serious and substantiated complaint from another party may result in that permit being withdrawn.
2. Operators of commercial boats, powerboats will be required to produce their permits, Skipper license & Boat COF on request from an authorised person or officer of the Association. No power boats may be on the river without the appropriate permit issued by KRAB, who are the duly appointed agent of Overstrand Municipality.
3. The rights of landowners must be respected. No trespassing on private land shall be tolerated. in addition, no unnecessary disturbance, loud music, unruly behaviour, littering or lighting of fires is
4. The Stanford Municipal area is a "no-wake - dead slow" zone. As far as line 1 on the map on the back of this permit.
5. The blind rocky corner at Middelburg Farm is a "no wake - dead slow" zone as sign posted. No water sport permitted.
6. Powerboats may not enter the demarcated bird sanctuary at the downstream end of the river without a permit from Cape Nature.
7. No power boats larger than 6.5 metres or with horse powers exceeding 250hp will be permitted.
8. Day permit holders shall not have access to the river before 09.30am and boats shall be removed from the water by 5.30pm. A "no wake - dead slow" ruling shall be ni force before and after this time in the area between the R43 bridge and the power line corner as signposted and shown on the permit. Commercial craft shall be exempt from the time provisions.
9. Right of Way rules applicable to al boats must be observed. Boats must keep to the right of the river and overtaking boats shall keep clear. Power boats shall give way to those not under power and keep clear of smaller craft and swimmers, ni the case of the latter two, coming of the plane to pass. Any swamping of the latter will be dealt with by removal of the permit concerned.
10. Compliance with al other current legislation pertaining to the use of powerboats on inland waters is mandatory.
11. Commercial boats shall observe the following extra rules:
  - (a) Boats may not be stopped ni the vicinity of waterfront residences without the prior permission of the resident owner.
  - (b) No trips are permitted before sunrise or later than 1 hour after sunset.
  - (c) Boats carrying more than 12 passengers must be equipped with toilet facilities.
  - (d) No release of waste is permitted.
  - (e) All boats shall be ni possession of appropriate third-party liability insurance.
12. 12. Water-skiing or operation of a power boat at speeds above 25 k/ph or at planing speeds is restricted to sections of the river where there is clearly no danger or nuisance effect on other river users or property owners. Additionally:
  - a. May not take place around blind corners.
  - b. May not take place within the vicinity of waterfront residences where the residents are present and object on the grounds of nuisance.
  - c. May not take place within 50m of jetties or platforms where swimmers are active.
  - d. Only permitted as far as the second powerline opposite the Springfontein entrance
  - e. No watersports to commence before 9.30am

I the undersigned, hereby accept the above conditions and code of conduct and declare that I will abide by the rules set out.
