2. PRISON ISLAND: *Welcome to the iconic Prison Island, a captivating destination located off the coast of Zanzibar , It is located on the western side of the island of Unguja, towards the North-West from the beach of Stone Town.*

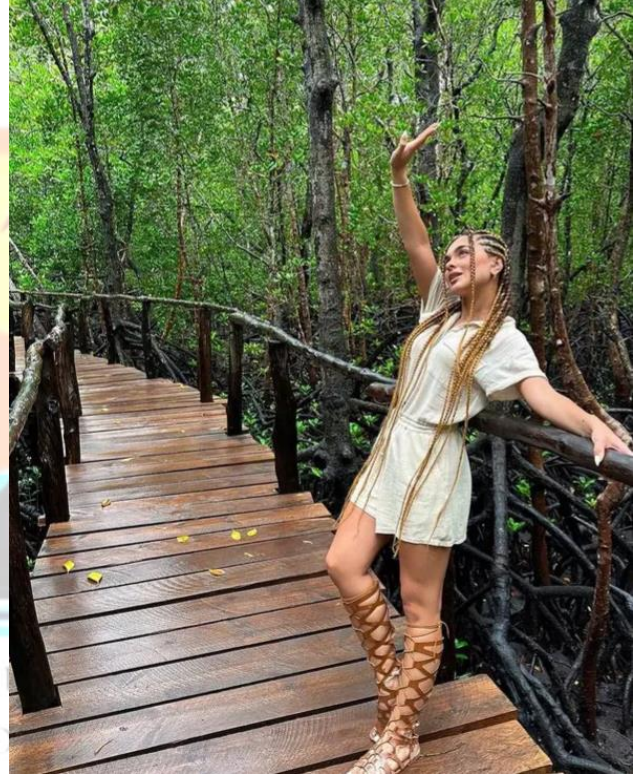

THE HOME OF TURTLES: *the island known as a Turtle island due to the presence of hundred of turtles, You will take a speedboat from stonetown and it takes 15 up to 20 minutes to get there, just come to enjoy your adventure with me moral guide.*

3. SPICE FARM TOUR: *The history of Zanzibar would be incomplete without the cloves, nutmeg, cinnamon, pepper and many other spices which are essential ingredient in a Zanzibari's everyday life, it is the island's connection to spices and herbs. Zanzibar and Spice is a romantic entanglement that dates back to the 16th century*

4. JOZANI FOREST: *Also known as Jozani Chwaka Bay National Park, is the only national park on the island of Zanzibar. It is an important area for the conservation of the island's biodiversity and natural resources. It is best known for being home to the rare Red Colobus monkeys (Zanzibar Red Colobus monkeys) which are found nowhere else in the world.*

ZANZIBAR

let's travel with us

The park located at the center of the island of Unguja (Zanzibar), approximately 35 kilometres from southeast of the island

5. SUNSET CRUISE: *Whether it's for a honeymoon, a celebration with friends, or just a moment of refreshing, the sunset cruise remains the best way to see the island's beauty. The beautiful*

sunset and joyful moments from the coast of the island, (the places like a.Stone town, b.Nungwi and c.Kendwa).

Try to explore this unforgettable sunset view with local wooden boart, amazing foods within and kind of feeling music.

6. SEA WALK: *Why are you still waiting????*

Sea walking is a unique underwater activity in Zanzibar that allows you to walk on the ocean floor while breathing normally through a specialized helmet. It is magic but we should know the requirements of the Age, generally Ages are about 10 and up. We are really sorry to the youngs

You can explore this activity at Stone Town, Nungwi beach and Kendwa beach. Just do it you will remember me.

7. NAKUPENDA SANDBANK: *The Sandbank that appears when it is low tide and goes away when water rises. We say "the home of peace and real definition of paradise ". The boat trip takes between 20 and 30 minutes, depending on the type of boat and sea conditions.*

It is approximately 5 to 7 kilometers from the coast of Stone Town (Forodhani area).

Marine life: Near the sandbank there are coral reefs where you can see colorful fish, starfish, and other small creatures. The underwater environment is calm for snorkeling.

The food prepared at Nakupenda Sandbank is known for being fresh and natural, while focusing on the unique flavors of Zanzibar.

8. PUNGUME SANDBANK: *I don't know how i can explain it but what i believe as Zanzibar is the only place that you can experience lovely Sandbanks*

PUNGUME sandbank is located roughly 15 kilometers (about 9 miles) southwest of the Kizimkazi coastline (southern part of Zanzibar) You will snorkel, explore the coral reefs, see foods, beach sports, swimming to the magic water view

9. SAFARI BLUE: *Safari Blue is widely considered the most popular full-day sea excursion in Zanzibar, focusing on the natural beauty of the Menai Bay Conservation Area. Since the tour departs from the village of Fumba (about a 30-minute drive southwest of Stone Town), it offers a different perspective of the coast.*

You'll travel on a handcrafted wooden dhow. If the wind is right, the crew will often hoist the sail for a traditional experience on the way back.

Let travel with us

Snorkeling: Menai Bay is a protected area, so the coral reefs are vibrant. You can see a variety of tropical fish; most operators provide the gear (mask, snorkel, and fins).

Kwale Island Lunch: A Swahili-style seafood BBQ is served on the island, usually featuring lobster, calamari, grilled fish, and coconut rice.

Most tours stop at a pristine sandbank (like the one near Kwale Island).

10. MNEMBA ISLAND:

Mnemba dolphin tour: this is one of the best locations in Zanzibar to see dolphins in their natural habitat. Early morning is essential. Dolphins are more active and playful before the sun gets too high and the water becomes crowded with boats

Snorkeling at mnemba: The reefs are home of over 600 species of fish, including yellow-snapper, barracuda, and ornate leaf fish. You will be there to explore these banks of fishes

Sandbank at mnemba: like everywhere, final you will found yourself to the lovely Sandbank, it's tidal sandbank. as a base for a mid-day break. You can enjoy fruits and seafood lunch, photos,

Crowds: Because it is a popular stop for tours from Nungwi and Matemwe, it can become busy during the peak of low tide.

11. SALAM CAVE: (Salaam Cave Aquarium) is a fantastic hidden gem located at Kizimkazi Dimbani, on the southern coast of Zanzibar. Salaam Cave is famous for being a sea turtle sanctuary. It offers a very different vibe. You can get into the water and swim alongside sea turtles.

It's built into a natural coral cave with winding limestone corridors and open-top chambers that let in dramatic natural light. Location: Kizimkazi (about a 1-hour to 1.5-hour drive from Stone Town).

14. KUZA CAVE: *A natural site located in the Jambiani region, approximately 50 kilometers from Stone Town. Natural Pool: The cave features a large, round pool of fresh water, which is roughly 50 meters wide.*

15. PAJE KITE SURFING: *Paje is widely considered one of the top kitesurfing destinations in the world due to its shallow lagoon, consistent side-onshore winds, and warm,*

Best Kitesurfing Seasons : There are two primary wind seasons in Zanzibar that dictate when the conditions are best for kiting. (The Summer Wind): From mid-June to October. (The Winter Wind): From mid-December to mid-March. You can't escape it, if you are beginner there is class for learning

16. SKYDIVING ZANZIBAR: *Skydive Zanzibar is the archipelago's only tandem skydiving center, located on the northern tip of the island near the Nungwi Airport.*

The Experience: You take off from Nungwi and climb to 10,000 feet, followed by a 30-second freefall at speeds of up to 200 km/h before a 5-minute canopy ride.

17. HORSE RIDING: *Horse riding on Zanzibar's beaches is a popular activity, especially in the Nungwi, Kendwa, and Paje areas.*

If you want to swim with the horses, this is the exception to the low-tide rule. Swimming typically takes place during high tide so the horses can actually get deep enough to float.

20. THE ROCK RESTAURANT: *The Rock Restaurant* *Zanzibar is one of the most iconic landmarks on the island, famous for its unique location.*

*During low tide, you can walk across the sand to reach the stairs.
When the tide is high, the restaurant provides a small wooden boat to ferry guests back and forth from the shore.*

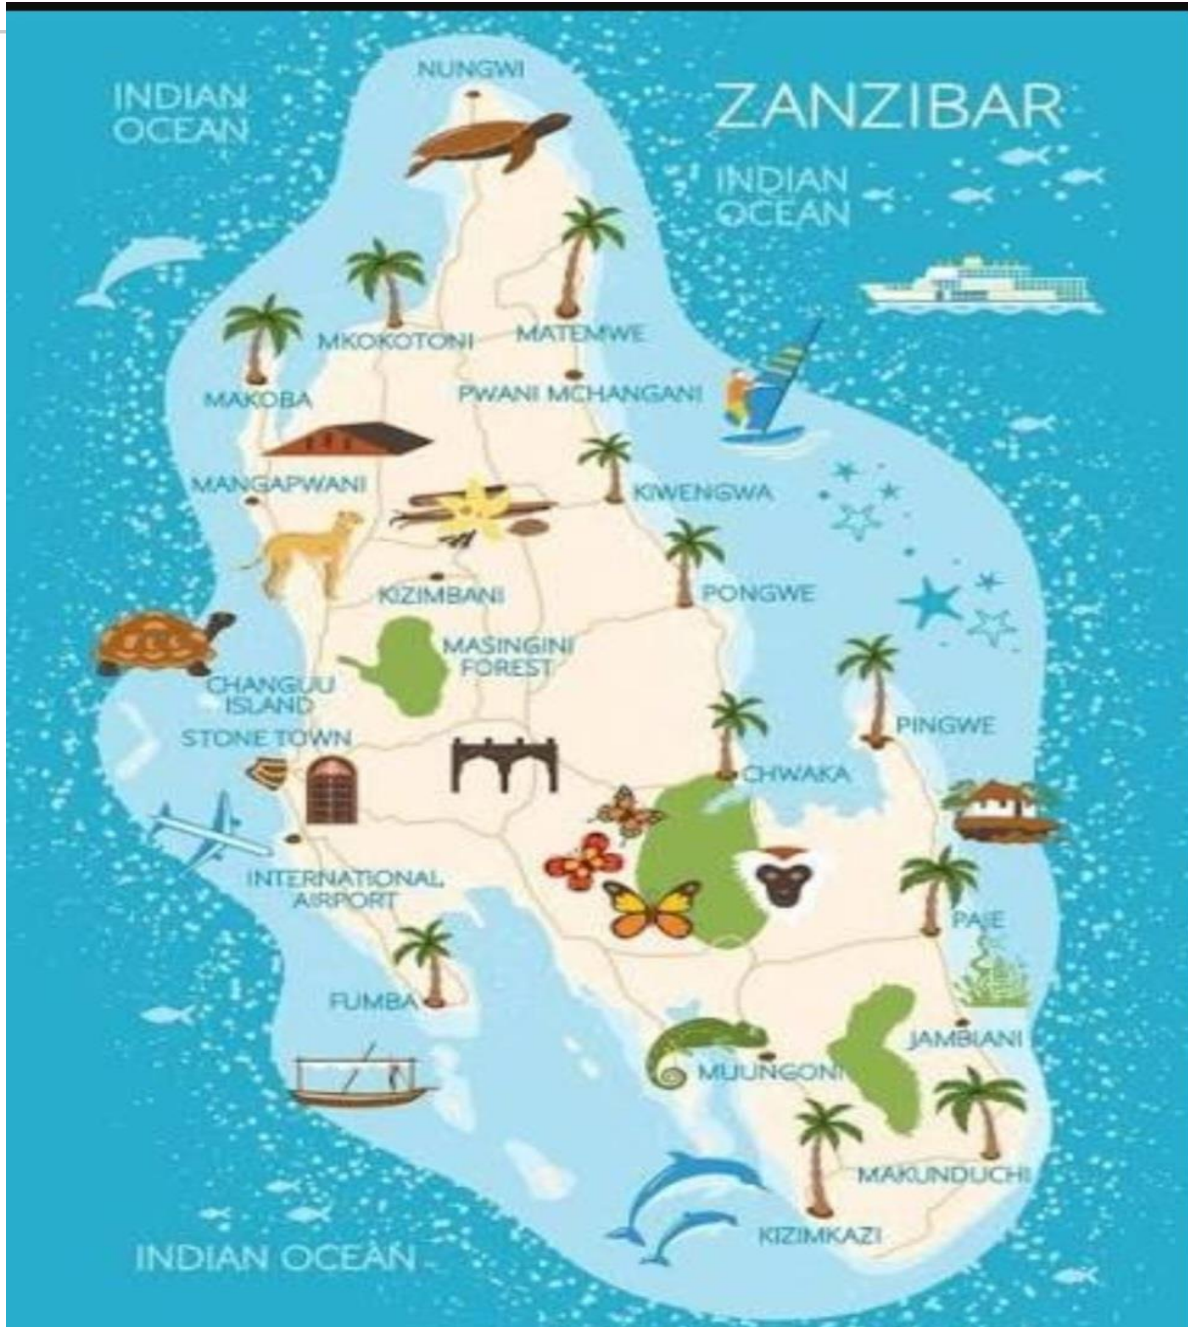

Reservations: Because of its international fame and limited seating (it only has about 12 tables), booking well in advance is essential if you plan to eat there.

21. VILLAGE TOUR: *A village tour in Zanzibar offers an authentic look at the island's rhythm beyond the resorts, now you will see the traditions and agricultural life of Zanzibar. People live in real undesirable life conditions with full of social demands . You will walk around the village, meet children, parents, explore social problems and demands.*

*If God gave you something don't forget to give it even little to others,
just like a help and maintain humanity among us.*
