Why Register at a Parish?"

For where two or three are gathered together in my name, there am I in the midst of them."

Registering at a parish means becoming part of a Catholic faith community. Whether you are new to the area or have lived there for years, joining a parish strengthens your connection to the Church. You can find registration details in the parish bulletin, pew racks, or by asking a priest after Mass. Most parishes offer simple registration options in person or online.
