Check - in

Check in from 4 pm

Check out at 11 am

Directions

From airport:

At the roundabout take the first exit towards Kardamena, distance 7km.

When you come to the main square where is the taxi station, keep going straight for another 400 meters. Exactly after the No stains laundry services pass the crossroad to your right is our home entrance.

Don't forget to mention your holiday spot, Gallery Home/Fanis.

If you hire a car, the transfer from the airport is free of charge.

House rules

We ask that you treat our home with the same respect that you do with your own. Thank you for helping us keeping it cozy and inviting!!!

* This is a nonsmoking home. If you must have a cigarette we ask that you do so outside and that you properly put out and dispose of the cigarette. Please do not leave the butts for us.

* Pets are not allowed in the house.

* No events or parties are permitted.

* Please respect courtesy quiet hours from **15:00 - 17:30** and **23:00 - 07:00**.

* Only guests who are on the original booking are allowed to stay overnight.

* Do not throw paper or anything else in the toilette, there`s a bin provided.

* Two sets of linen and towels per person are available so please use sensibly.

Towels are for home use ****ONLY****.

* The use of the WIFI is free but it`s not allowed for illegal or appropriate use.

* Whenever you leave the property, please make sure you lock windows and doors and turn off air conditioning and TV.

Electronics

Instructions for the Smart TV:

The television is automatically connected to the WIFI so you can use your personal account to connect to your favorite channels.

Make sure you sign off before your departure.

Instructions for the coffee maker :

Chose which type of capsule you will use, there are different adaptors to fit in the coffee maker

Instructions for the washing machine:

<file:///C:/Users/Fanis/Downloads/Washine%20machine%20manual.pdf>

Air condition instructions:

Temperature of all the air condition devises is set for 23 degrees C. When external temperature is above 30, it's more than enough to create a cool atmosphere without risking on catching a cold. Feel free to adjust but it's not recommended.

House guide

Hot water:

There's a 200lt solar system to produce enough hot water for everybody.

Tap water:

Unfortunately tap water of Kardamena is only for basic use such as shower and washing.

Not recommended to be used for cooking or making coffee or tea.

Use mineral water instead.

Flies – mosquitos:

To avoid annoying insects try to keep main doors closed all the time and the protective nets at the windows down.

We'll provide three plug-in odorless liquid mosquito repellent to use just before you go to bed.

House products

Kitchen

The dispenser next to the kitchen faucet contains dish soap. Please throw the garbage in the bin provided under the sink before washing dishes.

Bathroom

Bathroom has two shower dispensers with shampoo - conditioner and a body wash.

On both toilette sinks there are a dispenser with hand soap and a pot for your toothbrushes.

Bedrooms

Both bedrooms as well as the sofa at the living room, are equipped with anatomic mattresses, designed for a pleasant and comfortable sleep.

Decoration

The design of the house is created by Domenica, a very good friend and owner of the ****Kos Adventures**** travel agency.

All photos of the ****Gallery Home**** are shot by your host Fanis (Fanis Creations Photography) and they are available for sale as well.

Toilettes:

Two toilettes available, one in each floor
