## OPTION 1 - Proceed with RWA - Based Funding

For applicants able to issue a SBLC or BG via one of the top 10 banks (Guaranty value equal to loan value ) - NOT LEASE

1- Following the completion of the NCNDA, the loan beneficiary shall provide the following documents:

- Letter of Intent (LOI) to us confirming that the borrower is seeking the loan.
- Certificate of Incorporation of the company (including the shareholders register).
- Certificate of Registration of the company or establishment.
- All available licenses issued by the relevant governmental authorities.
- Ownership documents for land, buildings, machinery, equipment, etc.
- Project feasibility study, including financial feasibility analysis.
- Executive summary / easy-to-read project presentation.
- Company balance sheets and audited financial statements for the past three (3) years.
- Business plan.
- Copy of the passport of the project owner or the duly authorized signatory.
- **Provide a Ready, Willing, and Able (RWA) confirmation demonstrating the capability to arrange and export the required Bank Guarantee.**

**Note:** The SBLC must be issued by one of the top 10 banks and should remain in the XXXX custody account for at least five years, renewable thereafter. After maturity, it will be returned automatically, bank-to-bank, to the borrower.

2- Letter of Approval for the Funding.

3- Formal signing of the final loan agreement with the funding party.

4- Signing of the Fee Protection Agreement.

5- The beneficiary shall issue the Bank Guarantee in favor of the funding party.

6- Disbursement of financing to the loan applicant in tranches, within the timeline and terms agreed upon in the contract.

7- Payment of all agreed commissions to the intermediaries.

**Note:** All correspondence must be in English and on official company letterhead.

## OPTION 2 - Proceed with Bank Statement Verification

For applicants able to provide a bank statement showing the ability to purchase or lease a Bank Guarantee - Cost of issuing the guarantee (approximately 2.25%)

1- Following the completion of the NCNDA, the loan beneficiary shall provide the following documents:

- Letter of Intent (LOI) to us that the borrower is seeking the loan.
- Certificate of Incorporation of the company (including the shareholders register).
- Certificate of Registration of the company or establishment.
- All available licenses issued by the relevant governmental authorities.
- Ownership documents for land, buildings, machinery, equipment, etc.
- Project feasibility study, including financial feasibility analysis.
- Executive summary / easy-to-read project presentation.
- Company balance sheets and audited financial statements for the past three (3) years.
- Business plan.
- Copy of the passport of the project owner or the duly authorized signatory.
- **Bank statement showing the ability to purchase or lease a Bank Guarantee.**

2- Letter of Approval for the Funding.

3- Formal signing of the agreement required to purchase or lease the banking instrument.

4- Signing of the Fee Protection Agreement, including a declaration and undertaking to pay a portion of the PBU amount to us in case of non-performance of the contract.

5- Issuance of the PB (Performance Bond) by the funding party in favor of the beneficiary.

Payment by the beneficiary of the agreed bank guarantee amount as stipulated in the contract.

6- Formal signing of the final loan agreement with the funding party.

7- Issuance of the BPU (Bank Payment Undertaking) by the funding party in favor of the beneficiary.

8- Disbursement of financing to the loan applicant in tranches, within the timeline and terms agreed upon in the contract.

9- Payment of all agreed commissions to the intermediaries

**Note:** All correspondence must be in English and on official company letterhead

**Any additional requirements , if any**

**Signature & Stamp**

**THANK YOU**

**END OF DOCUMENT**

This form is intended exclusively for companies seeking funding for a specific project or trade transaction.

Laila Mas Energy acts as a commercial and funding brokerage and does not provide direct financing or guarantee funding approval.

Funding requests are subject to third-party review, due diligence, and approval.

60 days after the reception of the final MT760, we will start paying funds to your esteemed company according to a predetermined schedule of work in accordance with the business plan.
