A Note to Parents

This book was lovingly created to remind children
that they are never alone.

Through every joyful moment, every fear,
every question, and every tear,
God's love remains near—gentle,
faithful, and constant.

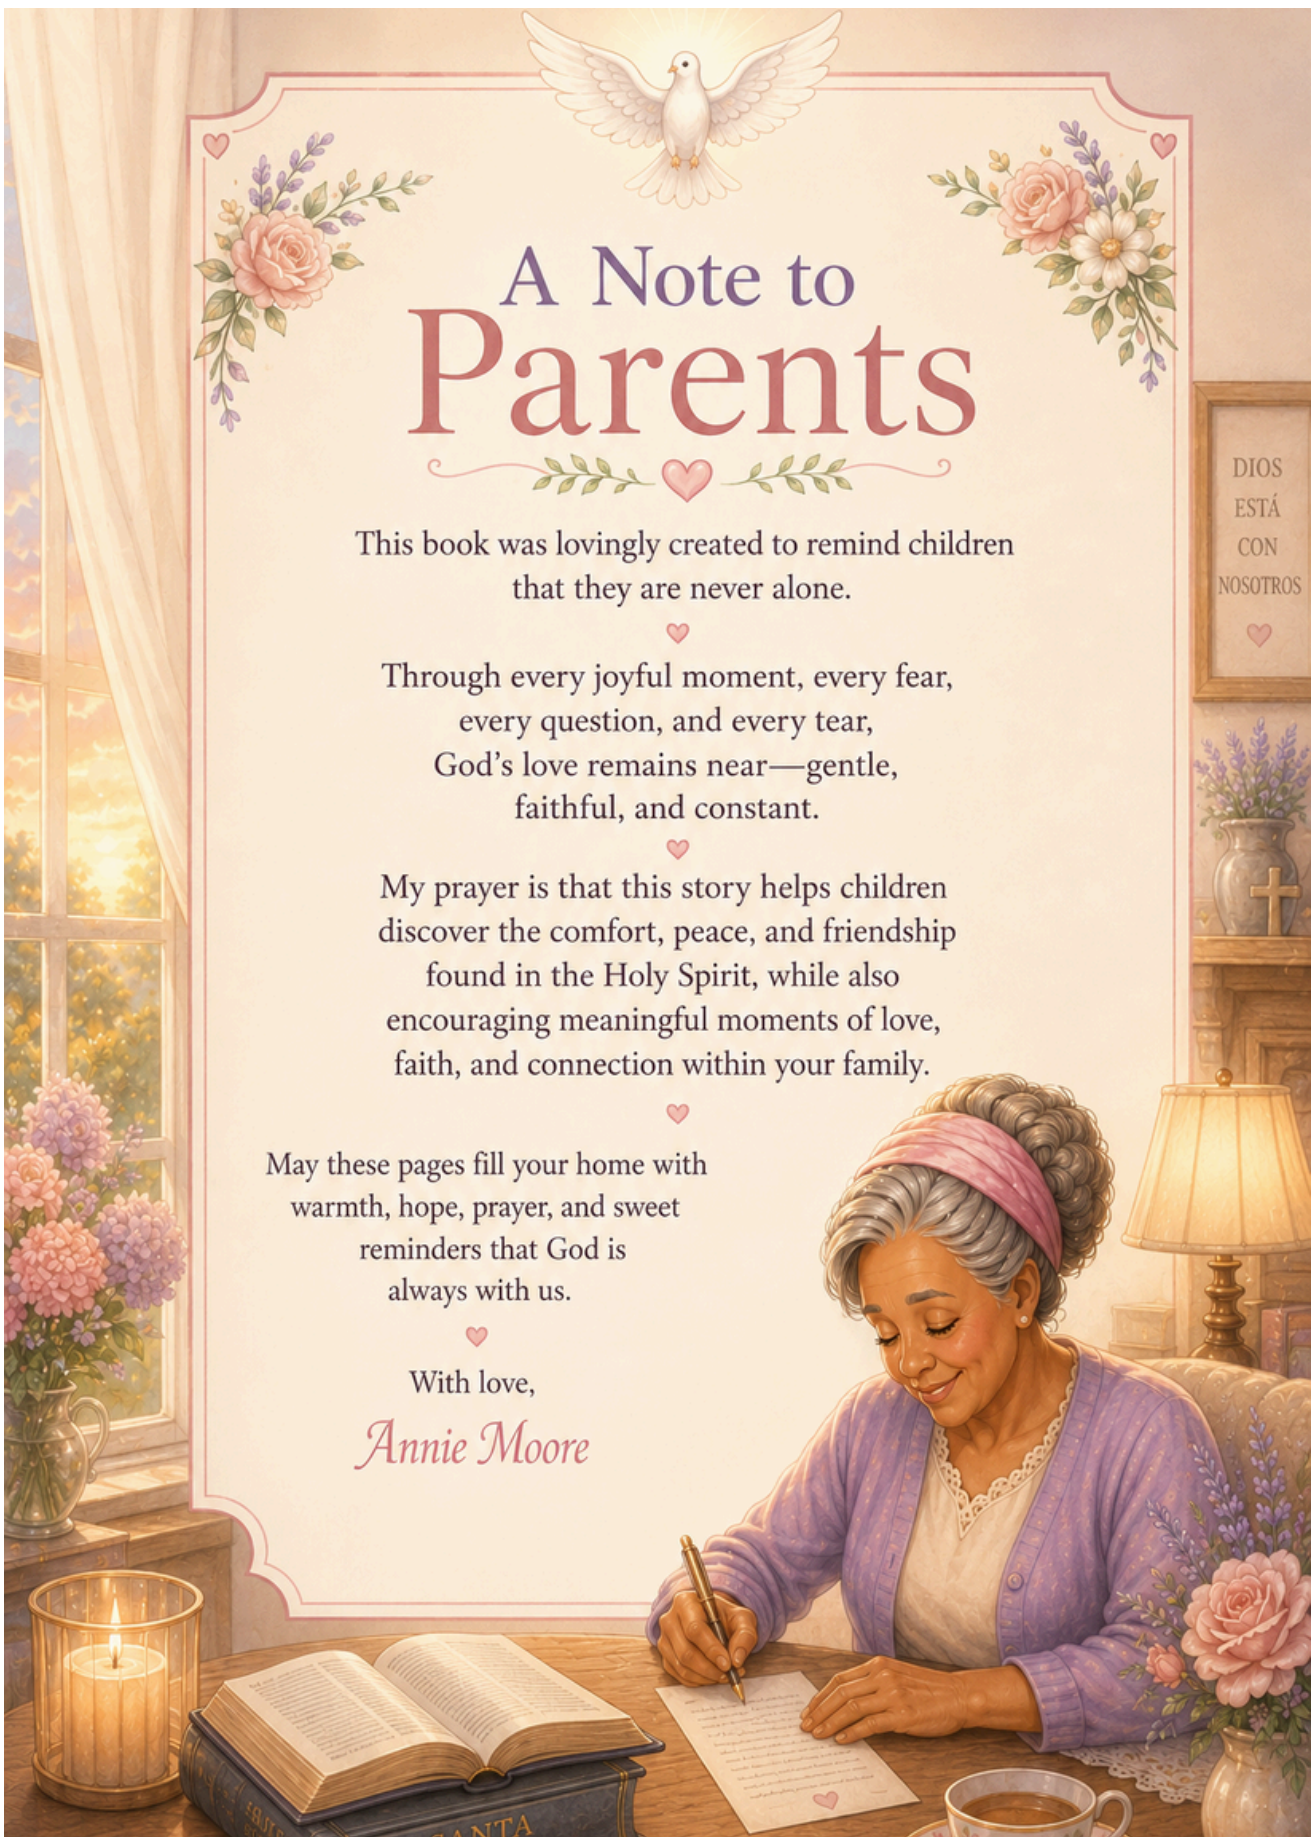

My prayer is that this story helps children
discover the comfort, peace, and friendship
found in the Holy Spirit, while also
encouraging meaningful moments of love,
faith, and connection within your family.

May these pages fill your home with
warmth, hope, prayer, and sweet
reminders that God is
always with us.

With love,

Annie Moore

Little Ann lived in a cozy home
with her loving Grandma Chichi
and her hardworking Mama Anita.
Grandma Chichi was a kind, gentle
woman,
full of the love of Jesus.
She gave the best hugs,
made hot, delicious meals,
and always had tasty snacks ready.

Mama Anita was a nurse
who helped people day and night.
She loved her job
because it meant saving lives
and helping others feel better.

But her work kept her away from home for
long hours.

Every day, she rushed out the door
with a quick kiss and a smile, saying:
“I have to go help someone today!”
