

To the Residents of Spread Eagle,

We would like to inform the community that we are postponing the start of signature gathering for the Town of Spread Eagle until May 2026. This adjustment will ensure we have sufficient time to collect the required signatures during a period when most of our residents are present in the community.

In the meantime, we have begun gathering bids and formalizing a detailed budget so that we can provide accurate, updated figures as the process continues. We also have the town website ([Town of Spread Eagle](#)) active as well as a Facebook page ([\(2\) Town of Spread Eagle | Facebook](#)) that will be inclusive of the entire lake(s), rivers, and land encompassed within the proposed new town.

We appreciate your patience, understanding, and continued support as we work to make this process as effective and transparent as possible.

Sincerely,

Spread Eagle Team
