About Us.

Jazr Al Sama Technical Services LLC is a UAE-based company specializing in premium Swimming Pool, outdoor living, villa renovation, and maintenance solutions. With over 5 years of industry experience, we have built a reputation for delivering high-quality workmanship, innovative designs, and reliable services tailored to the needs of residential, commercial, and hospitality clients.

Our expertise covers swimming pool construction, landscaping, pergolas, gazebos, BBQ areas, decorative water features, villa renovation, and comprehensive maintenance services. We provide complete turnkey solutions, managing every stage of the project from planning and design to execution and final handover.

At Jazr Al Sama Technical Services LLC, we are committed to transforming ideas into exceptional spaces that combine beauty, functionality, and long-term value. Through professionalism, attention to detail, and customer-focused service, we strive to exceed expectations and build lasting relationships with every client we serve.

Mission & Vision.

Our Vision

We believe great spaces improve lifestyle and bring lasting joy. Our vision is to transform homes and businesses across the UAE with innovative pools, outdoor living, and villa renovation solutions. We create functional, beautiful spaces that bring our clients' ideas to life.

Our Mission

To provide complete end-to-end solutions for swimming pools, outdoor living, and villa projects across the UAE. we deliver design, construction, maintenance, cleaning, and repair services with professionalism and expertise. Our focus is on quality, reliability, and long-term customer satisfaction.

Our Commitment

We stay ahead of industry trends by integrating smart, innovative, and eco-friendly solutions. Our systems are designed for Dubai standards and regulations, ensuring efficiency and reliability.

We guarantee quality workmanship with on-time project completion.

The Jazr Al Sama Technical Services LLC Advantage.

With over 5 years of experience in Dubai, Jazr Al Sama Technical Services LLC delivers high-quality, uniquely designed solutions tailored to each client's vision and the UAE climate. we specialize in complete residential and commercial turnkey projects, from design to execution.

Our integrated approach ensures reliable delivery, strong workmanship, and long-lasting value.

Local Dubai Expertise

We understand Dubai's unique challenges - from obtaining construction permits to dealing with sandy soil conditions. Our team has years of experience building pools across Dubai, Abu Dhabi, and the Northern Emirates.

Transparent Pricing & Reporting

Pool construction costs in Dubai vary based on size, features, and location. We provide clear, upfront invoicing with no hidden costs. Our dedicated account management team provides regular reports and updates on project status

On-time Completion

We are committed to providing accurate project timings and delivery according to promised time-lines. Our expert, streamlined process ensures shorter wait times without compromising on quality or safety.

Premium Materials & Finish

We use internationally recognized materials and techniques specifically chosen with the UAE's demanding climate in mind. We utilize only the best equipment for long-term pool life and quality.

What We Offer.

At Jazr Al Sama Technical Services LLC, we are committed to bringing water and outdoor living experiences into people's lives by creating the perfect swimming spaces from private backyard retreats to luxury hotel rooftops. We transform every space into a functional and beautiful sanctuary that reflects our clients' vision through bespoke design solutions.

We focus on every detail of design and execution, including swimming pools, tile finishes, water features such as fountains and showers, decking and patios, gazebos, landscaping, villa renovations, and other customized outdoor living elements. Our comprehensive approach ensures every project is complete, balanced, and visually stunning.

With strong regional expertise, we design solutions specifically suited to the UAE climate and conditions. Using state-of-the-art equipment and premium quality materials, our skilled designers, engineers, and technicians turn ideas into exceptional spaces that deliver long-term value, comfort, and enjoyment.

Pool Shapes

Jazr Al Sama Technical Services LLC design portfolio is only limited by our clients' imagination. We create swimming pools of all sizes, shapes, and styles, delivering bespoke designs tailored to every project. From elegant infinity pools and free-form designs to classic geometric pools, we bring every idea to life with creativity, precision, and attention to detail.

Villa Renovation

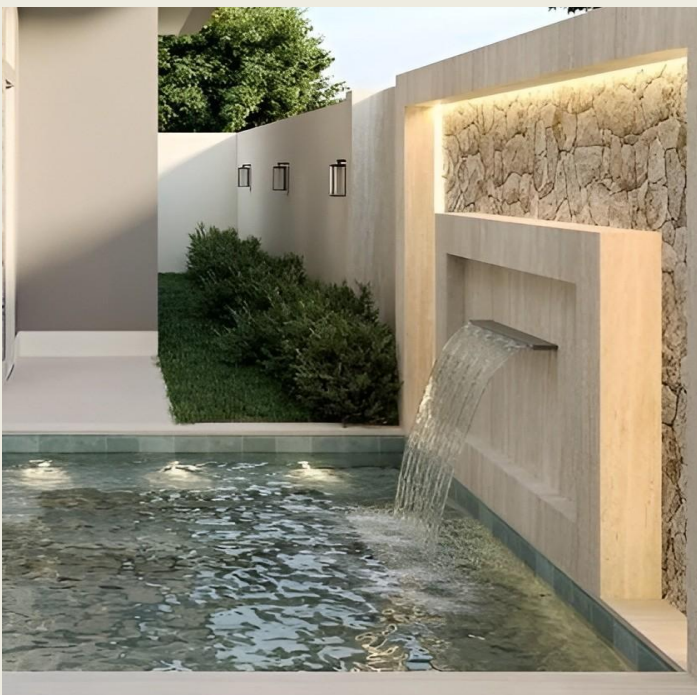

Each villa renovation project at Jazr Al Sama Technical Services LLC is built around a unique vision. We transform kitchens, bathrooms, bedrooms, living areas, and staircases into modern, functional, and stylish spaces. Using premium materials and quality finishes, we create elegant, durable interiors that enhance comfort and add lasting value.

Water Features

At Jazr Al Sama Technical Services LLC, we design and install bespoke water features that add elegance and character to any space. From fountains and waterfalls to decorative water elements, we create stunning features that enhance both residential and commercial environments.

Landscaping

At Jazr Al Sama Technical Services LLC, we transform outdoor spaces into beautiful and functional landscapes that enhance the overall living experience.

From lush greenery and planting to pathways, lawns, and decorative elements, we create outdoor environments that combine beauty, comfort, and functionality.

Our Communities.

Over our 5 years of experience in the UAE, we have witnessed the growth of vibrant communities across the region. We are proud to be part of many of these communities, bringing the joy of swimming and villa renovation to homes and businesses across Dubai and the UAE.

We have designed, built, refurbished, and maintained state-of-the-art pools in backyards, rooftops, and indoor spaces. Our work spans both residential and commercial projects, delivering quality, beauty, and long-term value in every project.
