Who we are,

Welcome to Sri Loshni Enterprises, your trusted source for **high-quality medical equipment and its spare parts**. With a commitment to excellence and a comprehensive selection of **spare parts from all major brands**, we ensure the reliability and performance of your medical equipment.

Our products are meticulously vetted for **compatibility, offering cost-effective solutions without compromising on quality**. Backed by our team of experts, we provide personalized support to assist you in finding the perfect spare parts for your specific needs.

If you don't see a product you need in our catalogue, simply reach out to us, and we'll make every effort to source it for you. Moreover, we endeavor to supply all necessary equipment needed within the hospital, ranging from **A-to-Z products for every hospital need**, including medical furniture, electrical, electronic items etc.,

Benefit from our **swift delivery service, minimizing equipment downtime and maximizing operational efficiency**. We are proud to extend our services to all over India, ensuring that quality medical equipment spare parts are accessible **nationwide**.

At Sri Loshni Enterprises, **customer satisfaction is paramount**, and we stand behind our products with **warranty coverage** for added peace of mind. Experience the difference with Sri Loshni Enterprises – where **quality meets reliability, and your equipment needs are always our top priority**.

OUR VISION & MISSION

VISION

"Dedicated to delivering exceptional medical equipment with timely delivery, global accessibility, outstanding customer service, and an unwavering commitment to patient safety."

MISSION

"Empowering excellence, our mission is to deliver rigorously quality-checked products without compromise, fostering utmost satisfaction among both our dedicated team members and valued customers."

Table of Contents:

1. Bipap, Cpap & Consumables	4
2. BP Apparatus & Consumables	4
3. ECG Machine & Consumables	5
4. Fetal Monitor & Consumables	6
5. Defibrillator & Consumables	6
6. Diathermy & Consumables	6
7. IFT Machine & Consumables	7
8. Laryngoscope Machine & Consumables	7
9. Light Source & Consumables	7
10. Multipara Monitor & Consumables	8
11. OT Light & Consumables	9
12. Pulse Oximeter & Consumables	10
13. Other Medical Equipment	10-12
▪ Ophthalmoscope	
▪ Indirect Ophthalmoscope	
▪ Otoscope	
▪ BMI Machine	

- Digital Thermometer
- Digital Thermo Hygrometer
- Analog Weight Machine
- Digital Weight Machine
