"Your vision, our expertise — a celebration unlike any other."

At 6ix Event Collective, we believe your wedding day should feel exactly as you always imagined it — effortless, joyful, and entirely your own. Whether you're just beginning to plan or simply need expert support to bring everything together, we offer three carefully crafted packages designed to meet you exactly where you are.

Month of Coordination	Expert management of your wedding day from start to finish.
Partial Planning	Professional guidance for couples who've begun planning and need support.
Complete Planning	Comprehensive end-to-end planning so you can enjoy every moment stress-free.

Each package is personalised to your vision, your style, and your love story. We'd be honoured to be part of it.

Month of Coordination

6ix Event Collective · Wedding Day Management

You've planned your dream wedding — now let us take the reins. Our Month of Coordination package places every logistical detail in the hands of your dedicated coordinator so that on the day itself, you are free to be fully present, completely at ease, and thoroughly celebrated.

PRE-WEDDING COORDINATION

Final Details Meeting

Timeline Creation — A meticulous day-of schedule mapping every vendor arrival, ceremony beat, and reception milestone from morning through last dance.

Vendor Confirmation — Direct outreach to all vendors — caterer, florist, photographer, and beyond — to confirm logistics, timing, and expectations.

WEDDING DAY COORDINATION

Morning Preparations

Vendor Liaison — Single point of contact for every vendor on-site, ensuring each team arrives on time and sets up exactly as planned.

Timeline Adherence — Hair, makeup, and all pre-ceremony preparations kept beautifully on track so the morning unfolds without a moment of stress.

Ceremony Management

Guest Coordination — Guests are welcomed and guided graciously; the guestbook and any special ceremony elements are carefully attended to.

Processional & Recessional — Every cue, every step, every entrance precisely coordinated for an elegant and emotionally resonant ceremony flow.

Reception Oversight

Setup & Décor — The reception space is inspected against your vision — every centerpiece, place card, and finishing touch confirmed before guests arrive.

Vendor Coordination — Catering, music, lighting, and all vendor services monitored throughout the evening to keep the experience seamless.

Timeline Management — Toasts, first dances, cake cutting, and every special moment orchestrated with precision so nothing feels rushed or forgotten.

Guest Assistance

Special Requests — Every guest's comfort matters. Individual needs and questions are handled warmly and discreetly.

Issue Resolution — Should anything unexpected arise, it is addressed quietly — you'll never even know there was a hiccup.

Post-Reception

Venue Breakdown — Cleanup and breakdown overseen from start to finish; all rentals returned and the space left in pristine condition.

Gifts & Personal Items — All gifts, cards, and personal belongings collected, organised, and ready for the couple to take home.
