

James L. Jeffley

Speaker & Leadership Trainer

Why Hire James

- ✔ Helps leaders see root causes before wasting resources on symptoms
- ✔ Teaches you how to navigate change resistance instead of fighting it
- ✔ Shows you how to communicate in ways that build trust and drive action

Speaking Topics

- ✔ **Solving the Wrong Problem:** How leaders unintentionally create burnout, resistance and churn – and how to stop.
- ✔ **FEC'D UP:** Why Change Fails—and How Leaders Can Respond
- ✔ **Leadership is Language:** How leaders shape outcomes through words, conversations, and intent.

Trusted by Leaders at:

“I am deeply grateful for James’ substantial contributions to CDG’s leadership development efforts. I can, and do, recommend him highly, and with absolute confidence that he can help other companies that are also intent on developing the leadership capability of their managers and employees.”

Very truly yours,
David L. Malmo, President
Continental Data Graphics - a Boeing Company
