

OPEN HOUSE

VOWH

COMMUNITY FUND

What is the community fund?

The community fund lets anyone that sells or lets a property with use, choose a local organisation to receive a £200 donation.

What do I have to do?

Not really anything. Just confirm you would like your organisation on the list and provide us with some contact details so we can get in touch if someone chooses you.

Is there anything I can do to get more donations?

Yes, there is. Letting people know you are part of the fund is the best way, whether that's via a newsletter, email blast or social media. The more people know, the more people choose you.

For full T&C's, please check our website at www.openhousevowh.co.uk/community-fund, or email on the contact information below.
