OUR PRODUCTS

POLYESTER SLINGS

Webbing Slings (Up to 60 Ton Capacity)

Manufactured as per EN 1492-1, IS 15041 & ASME B30.9, our slings are made from **high tenacity polyester** and **color-coded** for easy identification.

Types:

Simplex | Duplex | Triplex | Multiply (up to 10 layers) | Endless

Features:

- Lightweight & flexible
- High strength & durability
- Abrasion & moisture resistant
- Reinforced eye loops / metal fittings

Applications:

Ideal for **industrial, marine & heavy lifting**, especially for **pipes & large equipment**

WIRE ROPE SLINGS

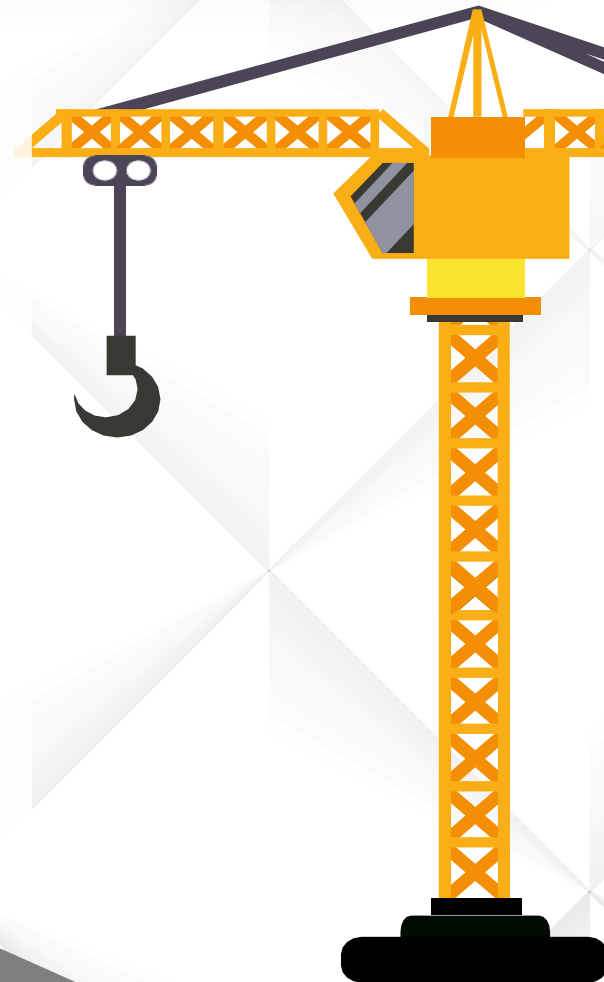

Braided wire rope slings are designed for safe and efficient lifting applications, offering high strength, flexibility, and durability. Manufactured from high-quality steel wire, they provide excellent load-bearing capacity and resistance to wear.

Size Range: 6mm to 38mm

Features:

- High tensile strength
- Flexible and easy to handle
- Durable and wear-resistant
- Suitable for heavy-duty lifting applications

Available in various lengths and configurations.

Cargo Lashing Belts (Ratchet Tie-Downs)

Cargo lashing belts are designed to securely fasten and stabilize goods during transportation, preventing movement and damage. Manufactured from high-grade polyester webbing, these belts offer high strength, durability, and resistance to abrasion and weather conditions. Available in both **One Way Lashing** (single-use, cost-effective) and **Two Part Lashing** (reusable with ratchet mechanism) to suit various shipping and logistics needs.

Product Range:

- **50mm Orange** – 3 Ton Capacity
- **50mm Green** – 5 Ton Capacity
- **75mm Yellow** – 10 Ton Capacity

Key Features:

- High tensile strength
- Easy to use and reliable locking system
- Lightweight and durable
- Suitable for trucks, containers, and rail transport

OTHER LOOSE Fittings

Bow Shackle Pin Type

Capacity: 2T|3.25T|4.75T|6.5T...

Alloy Chain Slings

Capacity: As per Customized

Wire Rope

Capacity: 1ton -20ton

Wire Rope Clamps

2mm to 30mm

Braided Wire Rope Slings

Capacity: As per Customized

D Shackles are high-grade forged steel connectors.

Available in all size

CORD Strap/Composite Strap/Polyester Cord Strap

Cord Strap Size: 16mm,19mm,25mm and 32mm

Dunnage Air Bag/Packaging Air Bag

Dunnage air bags are used to secure and stabilize cargo in containers, trucks, rail cars, and ships. They prevent load shifting in transit and offer a safer, more efficient alternative to traditional wood blocking and bracing.

Available in **PP Woven** and **Kraft Paper** variants, suitable for different load requirements.

Standard Sizes (mm):

- 900 × 900
- 900 × 1200
- 900 × 1500
- 900 × 1800
- 900 × 2100
- 900 × 2200

Heavy-duty tarpaulin sheets

Premium Quality Material – Made from high-strength **HDPE woven fabric** for maximum durability.

Heavy-Duty Protection – Strong, tear-resistant, and built for rough use.

Weather Resistant – Protects against rain, sun, dust, and wind.

Waterproof & UV Protected – Ideal for outdoor and long-term use.

Multi-Purpose Use – Suitable for construction, agriculture, transport, warehouses, and camping.

Lightweight & Easy to Handle – Strong yet easy to fold, carry, and install.

Available in Multiple Sizes – Custom sizes, colors, and GSM options available.
