The ultimate 2D Game Character

Design & Animation Course

Udemy

2021

Blender for Beginners & 3D Modeling in

Blender

Udemy

2021

ABOUT ME

I have always enjoyed Art, since I was a kid, getting inspired by comics and cartoons, drawing alone in my room while others were playing outside. I took a little detour into the film industry after finishing my studies. But in my heart I always wanted to design and create. So I started to focus on developing my art skills again through art schools and studies, because there is nothing more beautiful than bring your own ideas to life.

WORK EXPERIENCES - GRAPHIC DESIGN/ILLUSTRATION
