About CIIPD

Cambridge International Institute For Professional Development (CIIPD) has been a pioneer in higher education, focusing on real-world applications and close collaborative relationships between students and their professors.

At CIIPD, we believe that education should be accessible to everyone, no matter where they are in the world. That's why we have designed flexible, online learning solutions that fit the needs of today's professionals, allowing you to gain new skills, enhance your expertise, and advance your career from anywhere. Whether you're a healthcare professional, educator, business leader, or IT specialist, we have courses that cater to your career goals.

ABOUT CIECB

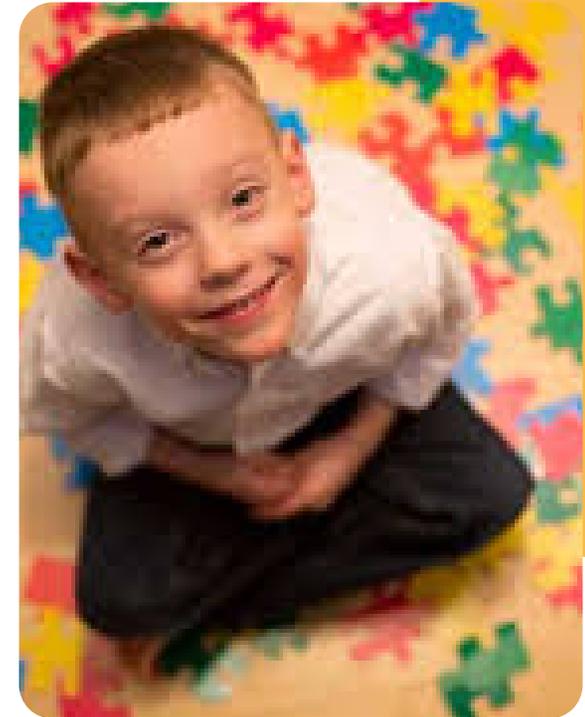

The Cambridge International Education Certification Board, UK (CIECB) is a premier certification body dedicated to upholding high standards in international education. Based in the UK, CIECB offers recognized certifications across a wide range of professional and academic fields. Our mission is to empower learners, educators, and professionals by providing quality assurance and accreditation for educational programs globally. With a commitment to fostering excellence, CIECB enables individuals to enhance their skills, knowledge, and career prospects through credible and internationally respected certification

NGO Reg No.
U85300MH2022NPL386152

JKP is one-of-its-kind educational institute run by Jaikripalu Prabhu Care Foundation (NGO) which takes pride in offering Certificate Courses for Professionals & Parents of Special Needs Children. Dynamic and full of Innovations, we are a team that strives for the best and understands the gaps and develop curriculum accordingly. JKP Care Foundation is a registered non governmental organization dedicated to empowering professionals and caregivers in the field of special needs education and therapy. Our organization takes pride in offering a range of impactful training initiatives tailored for doctors, therapists, special educators, school teachers, and parents of special needs children. With a global reach, we have successfully trained over 2000 professionals and parents in the last two years, making a positive impact across the globe.

ABOUT PROGRAM

The Autism Specialist Program focuses on enhancing communication skills in individuals with autism by helping them articulate sounds clearly, expand their vocabulary, and improve language comprehension. This training empowers them to express themselves confidently, fostering better social interactions and personal growth. Additionally, the program develops essential listening and auditory processing skills, teaching active listening techniques to improve focus and communication.

WHO THIS COURSE IS FOR

- This class is designed for pediatricians, therapists, teachers, parents, autism professionals & people who are caregivers for autistic individuals particularly children and those that might be on the autism spectrum.
- This class is designed to help you understand the world of autism, do assessment, spot the signs and/or symptoms of the autism spectrum so that you can help someone living with autism to live a richer life and refer them to a right professional at the right time.

Key Features:

- Low Tuition Fee and option to pay in installments as well.
- you have unlimited lifetime chat support at no extra costs, ever and can repeat the program.
- a printed certificate of course completion shall be provided upon successful completion of the program.
- expert help is always available to you if you get stuck or have a question in live classes or through whatsapp group, email or 1 on 1 call.
- study material and e-books shall be shared for detailed study.
- recorded class link upon request for one time view , in case if you miss a session
