

Smile with Akash

Serving Humanity with Compassion

Company Profile

Smile with Akash

Serving Humanity with Compassion

Table of content

1 Education for All Our programs include school enrollment drives, scholarship support, digital classrooms, career guidance, and distribution of books, uniforms, and study materials. Education empowers children to break the cycle of poverty and build a brighter future.

2 Healthcare Support We organize free medical camps, vaccination drives, blood donation programs, and provide financial assistance for surgeries. Our goal is to ensure healthcare access for every needy individual regardless of their financial condition.

Table of content

3 **Hunger & Food** We run community kitchens, distribute ration kits, and support mid-day meal programs for children. Our mission is to eliminate hunger and ensure that no one sleeps hunger

4 **Women Empowerment** Our programs include vocational training, self-help groups, small business funding, financial literacy training, and legal awareness workshops to promote equality and independence.

Company Overview

Smile with Akash is a social impact initiative founded by Akash Verma with the vision of creating equal learning opportunities for underprivileged children.

About

initiative is committed to supporting children in urban areas through education assistance, creative development, and mentorship programs. We believe that true change begins with access to knowledge, guidance, and care.

Mission

Driven by a dedicated team and guided by compassion, Smile with Akash strives to build a future where every child can learn with confidence and smile with hope.

Vision

Smile with Akash is a social impact initiative founded by Akash Verma with a simple yet powerful belief: every child deserves education, opportunity, and a reason to smile..

NGO's Mission, Vision and Objectives

Smile with Akash is a social impact initiative founded by Akash Verma to support the education and holistic development of children from underserved urban communities. Through education assistance, mentorship, and creative learning, the initiative aims to build confidence, promote inclusion, and create equal opportunities for every child.

Mission

Driven by a dedicated team and guided by compassion, Smile with Akash strives to create meaningful social impact by supporting children through education, mentorship, and creative development. Our mission is to empower young minds with confidence, knowledge, and care —so every child can learn with dignity and smile with hope.

Vision

Smile with Akash is a social impact initiative founded by Akash Verma with a simple yet powerful belief: every child deserves access to education, opportunity, and encouragement. Our vision is to build an inclusive society where children are nurtured, empowered, and inspired to create brighter futures for themselves and their communities.

Values

Compassion, equity, integrity, empowerment, and collaboration guide our commitment to creating inclusive educational opportunities and positive change for every child.

Collaborations and Partnerships

Collaborations and Partnerships: We work with CSR partners, educational institutions, NGOs, and community stakeholders to deliver sustainable, scalable programs that create measurable impact for children.

Joint Projects or Programs

We implement collaborative education and child development programs with partner organizations to achieve sustainable and measurable social outcomes.

Partnerships with Governments or Agencies

We collaborate with government departments and authorized agencies to support child-focused programs aligned with public welfare goals.

Alliances with Corporations or Foundations

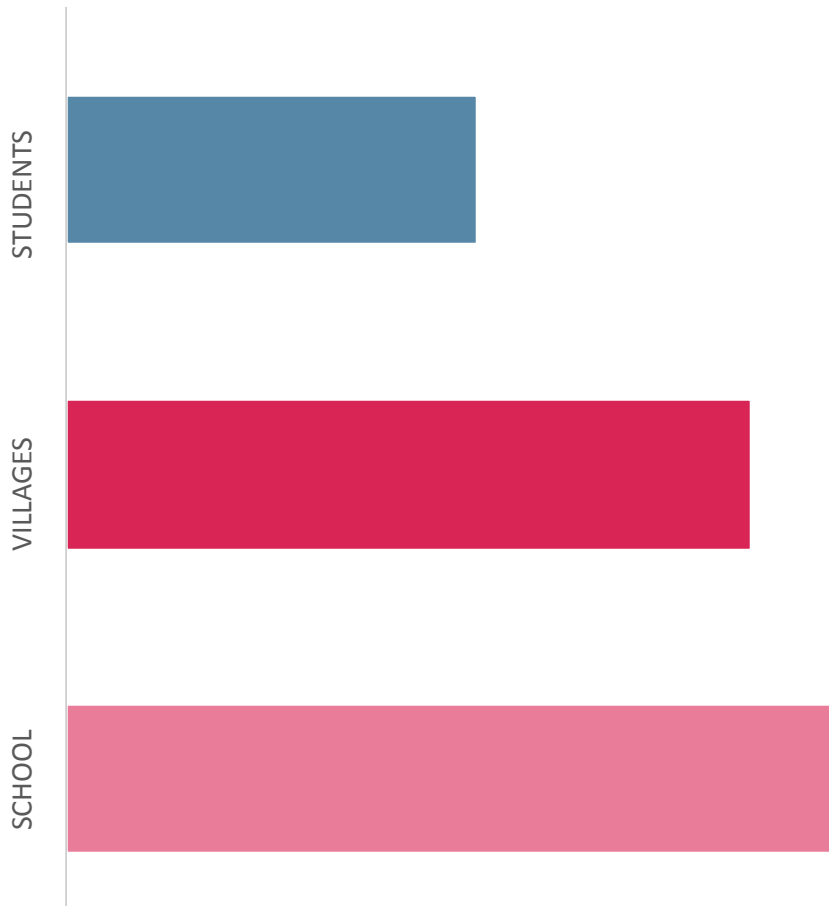

We partner with corporations and philanthropic foundations to implement CSR-aligned initiatives that support education, child development, and sustainable social impact.

Networking with Other NGOs

We actively engage with NGOs and civil society organizations to share knowledge, strengthen collaboration, and expand collective impact for child development initiatives

Funding and Financial Management (Infographic)
