ABOUT THE COLLECTION

Over the past few years I have acquired a significant amount of party and table decor. My daughter graduated in 2025 and with her grad party I added even more to my collection. Because of this, I am offering The Barn on M Avenue event clients an upgraded option to have access to my decor closet!

For a flat rate \$50 fee, you will have access to all items in my decor collection. This includes everything from balloon arch frames, to battery operated candles, several table centerpiece options, two different colors of spandex table coverings and much more!

*Please note....I will not be renting anything out individually.
