About

FOSTER BAKE INDUSTRIES

Foster Bake Industries has gained a significant advantage and distinction among its competitors, developed through integrity in business dealings and customer trust, which has led to partnerships with various sectors in Egypt. Since its founding, the company has focused on providing food ingredients, and since then, numerous contracts have been signed between the government sector and private companies.

Our mission at Foster Bake Industries is to spread the culture of quality in its true sense in the food sector and to provide the best services across the middle-east and Africa.
