

# MASTRADE INTERNATIONAL CAPITALS LTD

## Company Profile

Empowering Traders, Enabling  
Success.

# About Us

Mastrade International Capitals Ltd is a Mauritius-based international trading platform serving the Indian Ocean region. We position ourselves as a strategic bridge between Asia, Europe, The Middle East and Africa, facilitating trade, investment, and project development across high-growth and emerging markets.

Leveraging Mauritius' strategic location, business-friendly environment, and strong financial and logistics ecosystem, Mastrade International Capitals Ltd provides a reliable, efficient, and transparent platform for cross-border trade and regional expansion. Our model combines trading, procurement, and project development to create sustainable value for partners, investors, and host markets.

# Mission

Our mission is to serve as a trusted platform linking Asia, Europe and Africa through Mauritius by facilitating efficient trade, strategic investment, and project development across the Indian Ocean and African markets. We aim to deliver reliable sourcing, procurement, and execution solutions across key sectors including natural resources, green energy, infrastructure, healthcare, hospitality, and the blue economy, while building long-term partnerships founded on integrity, performance, and sustainable value creation.

- To facilitate seamless trade and investment flows between Asia, Africa, and the Indian Ocean region
- To develop and support strategic projects in key growth sectors
- To provide reliable sourcing, procurement, and market access solutions
- To build long-term partnerships based on trust, performance, and shared growth
- To use Mauritius as a secure and efficient gateway for regional and continental expansion

# OUR VISION & VALUES

## OUR VISION

To become a leading regional platform linking Asia and Africa through Mauritius, driving sustainable trade, investment, and development across the Indian Ocean and African markets.

## OUR VALUES

- Integrity: We conduct business with transparency, professionalism, and accountability.
- Reliability: We deliver consistent, dependable solutions to our partners.
- Partnership: We focus on long-term, mutually beneficial relationships.
- Sustainability: We support responsible, future-focused development across all our sectors.
- Performance: We are driven by results, efficiency, and continuous improvement

# OUR BUSINESS ACTIVITIES

Mastrade International Capitals Ltd operates across a diversified portfolio of strategic sectors, including:

- **Minerals & Natural Resources:** Trading, sourcing, and project facilitation across selected mineral and resource value chains.
- **Green Energy:** Development and participation in renewable and sustainable energy projects supporting the energy transition in Africa and the Indian Ocean region.
- **Property Development:** Structuring, developing, and partnering in real estate and mixed-use development projects.
- **Project Development:** Concept & Initiation; Project Planning; Business Development; Resource Planning
- **Health Care Facilities:** Investment, development, and procurement for healthcare infrastructure and medical facilities.
- **Procurement & Trading:** International sourcing and supply of goods, equipment, and materials for public and private sector projects.
- **Hotels & Hospitality:** Development and participation in hospitality projects supporting tourism and business travel growth.
- **Blue Economy:** Projects and trading activities linked to marine resources, maritime services, and sustainable ocean-based industries.

Through this integrated approach, we connect suppliers, investors, developers, and end-users across multiple markets, ensuring efficient execution and long-term value creation.

# WHY MAURITIUS

Mauritius is central to our strategy and operations. We chose Mauritius as our base because it offers:

- **Strategic Geographic Positioning:** Ideally located between Asia and Africa, making it a natural hub for trade, investment, and logistics across the Indian Ocean.
- **Ease of Doing Business:** A business-friendly regulatory framework, efficient company setup, and strong corporate governance standards.
- **Political and Economic Stability:** A stable, well-regulated jurisdiction with a strong reputation for transparency and rule of law.
- **International Financial & Logistics Infrastructure:** Access to reputable banking, financial services, ports, and connectivity supporting global trade.
- **Gateway to Africa:** Strong economic ties, investment treaties, and trade links with African markets, positioning Mauritius as a preferred platform for regional expansion.

Operating from Mauritius allows Mastrade International Capitals Ltd to offer its partners a secure, credible, and internationally respected base for cross-border operations.
