Kelly KIT & BlackPrize Creatives

Journey Of A Kitted Soul

ABOUT KELLY KIT

Kelly Kit is an independent singer-songwriter, presenter, and dynamic creator rapidly carving out her own lane kitted in the modern music landscape. Unapologetically authentic and deeply driven, her music serves as an introspective journey for the listener, effortlessly navigating the highs and lows of the human experience with vocal grit and lyrical grace.

Commanding whether she is behind a microphone in the studio, hosting on camera, or connecting with her growing global audience online (@kllxkt_kittedsoul), Kelly Kit represents the next generation of multi-faceted, self-made independent artistry.

Her expanding discography highlights a remarkable sonic evolution, stretching from the raw emotional weight of *Pain and Beneath The Ice*, to the celebratory, triumphant energy of *My Winning Season*. Beyond her solo material, Kelly's collaborative power shines in high-energy electronic spaces, recently showcased in the UKG release *Unite The Frequency* alongside **Munchie MC and Steve Stritton**.
