

Declaration on Involvement in the Review of Financial Statements of Klarita t/a Dr Sunshine

I confirm that I was involved in the review of the financial statements of Klarita t/a Dr Sunshine ("Company") which comprise the Statement of Profit & Loss, Statement of Financial Position, and the Cash Flow Statement for the period ended 8th April 2026, together with the accompanying notes.

My involvement related specifically to the presentation, structure and overall format of the financial statements. The review undertaken focused on the layout, terminology and presentation of the financial statements, with the objective of aligning them with commonly accepted financial reporting formats and improving clarity for presentation purposes.

The preparation of the underlying accounting records, transactions and balances was carried out by the Company itself. No procedures were performed by me to verify or validate the underlying financial data, and no audit, review or assurance engagement was undertaken. Accordingly, no opinion or assurance is expressed on the financial statements.
