

ALTERED PAINTS

This is the ultimate "Altered States" Bingo—designed to be printed right on the back of the Happy Meal box. It's the perfect way to keep the energy up when the group starts getting a little too relaxed.

🎨 ALTERED PAINTS: THE "I TRIED" BINGO

Rules: First person to get five in a row (horizontal, vertical, or diagonal) wins another drink, a snack, or the right to pick the next song.

Adult Paint and Sip Kit Contents

Accidentally dipped brush in your drink	Asked "Is this dry yet?" for the 10th time	Forgot what you were painting	FREE SPACE: (Currently Buzzing)	Said "I actually think I'm a genius"
Painted your own fingernail	Stared at the wall for 5 straight minutes	Made a "Happy Accident" (Bob Ross style)	Spilled glitter on your pants	Argued about which snack is the best
Tried to "fix" it and made it much worse	"Is it hot in here or is it just me?"	Someone says "It's abstract!"	Laughed at a joke that wasn't funny	Dropped your brush on the floor
Misplaced your lighter/corkscrew	Googled "How to paint a leaf"	Took a selfie with your "masterpiece"	Sneezed and ruined a detail	"I need more Liquid Confidence (Gold)"
Finished your drink before the first coat	Asked "What color is this again?"	Criticized your own art then took a hit/sip	Total silence for 3 minutes (Deep Focus)	Claimed "It looks better from far away"

The Winner's Prize

If you hit BINGO, yell "I'M ALTERED!" at the top of your lungs.

Reward: You are officially the "Creative Director" for the rest of the night.

Penalty: If you falsely claim Bingo, you have to paint a mustache on your ornament (or yourself).
