

**The
Josephus
Conspiracy**

Defending Gabriel's Message to Daniel

In this work I will attempt to establish in the readers mind a view of Gods message to Daniel void of current teachings that distort your understanding as to how Daniels visions relate to the displacement of Time. I will also attempt to demonstrate through this writing, God's message to Daniel concerning His people Israel and how their heritage should perceive their future.

A simplistic overview of the last half of the book of Daniel is as follows: Daniel was used by God to explain for Nebuchadnezzar how he fit within the plans of God. You will remember he was the head of gold and other kingdoms would follow his kingdom of an inferior nature culminating with a final kingdom involving ten toes. God, having laid a foundation in Daniels mind of this master plan, sends the Angel Gabriel to Daniel to expound upon this final kingdom and how God would restore Israel to communion with Himself.

In Daniel chapters 7 and 8, God is giving visions directly to Daniel rather than using him to interpret for others God's message. The reason for this is because God had already determined to revoke the Old Covenant because of the constant rebellion of the nation Israel and implement the New Covenant with new requirements required for fellowship with Himself. At the moment of the writing of Daniel, God had taken away the Ark of the Covenant, taken away the Temple of the Covenant and removed Israel the Covenanted People from their Promised Land. In effect God had removed access from the Nation Israel too all of the implements required to conduct service under the Old Covenant. Israel had lost its ability to be forgiven for sin and to maintain covenant and communion with a Holy God.

In Daniel chapters 7 and 8 God sends Daniel 2 visions supplying him with two points of View of the Same time. These 2 visions start with a great war , identify a world government with an evil world Dictator and end with a world Judgment with the arrival of the Creator to rule earth.

Daniel was very upset and fasted and prayed and studied. While studying the writings of Jeremiah, he is scouring Jeremiah for answers and we see his discovery of the amount of time assigned for this punishment of Israel's captivity to be 70 years. (Jeremiah 29:10) Through deductive reasoning we understand that Daniel had also discovered the change from the Old Covenant to the New Covenant. (Jeremiah 31:31) Daniels prayer in chapter 9 was fueled by Israel's 1

forsaking of the Covenant of Moses and Jeremiah clearly condemns Israel for this in (Jeremiah 32:30-32).

As Daniel is praying the Angel Gabriel arrives to clarify Daniels understanding about these 2 visions and Gabriel while referring to these 2 visions comforts Daniel by telling Him about a subset of time contained in the second vision identified as 2300 days. This subset is of 490 days that we refer to as 70 weeks. As we review the purpose of the assigned actions for these 70 weeks , we discover that each item is a final act in an effort to reestablish communion between the Natural Stock of Israel and their Creator.

This is where we discover the foundation of a conspiracy in Daniel. A Jewish historian Flavius Josephus is the originator of this conspiracy. While trying to apply this prophetic book to his time of the first century, he attempted to propose a distortion of the biblical text that ascribed weeks of years to the term weeks. This would redefine 490 days to 490 years and ensnare theologians into a unbiblical quest to locate the beginning and ending of these weeks of years.

One distortion will eventually lead to another and so the Translators are ensnared in the Josephus conspiracy. To accommodate this theory a word in the text of the 70 weeks needed to be changed. The conspiracy attempted to apply 69 of the 70 weeks of years to identify the time from the return of Israel from Babylon and the rebuilding of the temple, to the coming of the Messiah leaving only one week of years to apply to the end time tribulation.

The problem is that where the Scripture Identifies the Covenant of the false messiah or Antichrist with the Jewish Nation, the Josephus conspiracy identifies Jesus as the person identified. Language has developed as time goes on and words have been used to further identify changes in the development of society. In example: Electricity: comes from the Greek word electron. The definition of the word electron is Amber which is a yellow reddish-brown stone used in jewelry. When Amber was rubbed it developed an electrical charge allowing a feather to float above it through static electricity.

It would not be proper to call the electric company and say the amber is off and it is not proper to substitute the prime root of the word Covenant with its prime root "Cut Off"

3772. karath

[Search for H3772 in KJVSL](#)

כרת karath kaw-rath'

a primitive root; to cut (off, down or asunder); by implication, to destroy or consume; specifically, to covenant (i.e. make an alliance or bargain, originally by cutting flesh and passing between the pieces):--be chewed, be con-(feder-)ate, covenant, cut (down, off), destroy, fail, feller, be freed, hew (down), make a league ((covenant)), X lose, perish, X utterly, X want.

In Daniel 10:14 Gabriel again informs Daniel that the vision (singular) is for the latter days.

Daniel 10:14 Now I am come to make thee understand what shall befall thy people in the latter days: for yet the vision is for many days.

So Daniel is again fasting and praying to understand this disturbing vision of the end of time and the removal of the Jewish foundation of the Old Covenant and its replacement with this New Covenant. Daniel is then told that the Vision is many days in the future and applies to the Last Time. The Conspiracy applies itself again by ending the chapter here and starting a new chapter. Gabriel continues his meeting with Daniel without any pause of time and you can include chapter 12 to this final discussion. Daniel chapter 10,11 and 12 are to be reviewed as one conversation between the angel Gabriel and Daniel. In chapter 11 Gabriel adds more definition to Daniels understanding of these final 2300 days. Chapter 12 begins with the final event of the Rapture and then Daniel discovers some more issues of timing.

Keeping in mind that this discourse is a simple overview of the last half of Daniel, I wanted to address why Satan uses Josephus to distort the true meaning of the intended message of the last half of Daniel. If one is able to identify the arrival of the Antichrist in this text one might be able to discover the ultimate conspiracy in the presentation of a False Messiah as God. The Vatican wants to sell you their False religion and False Messiah and the Jews want you to accept their False Messiah as God. Remember the Jews rejected the True Messiah some 2000 years ago.

We will now take a closer look at each chapter of the last half of Daniel to substantiate the claim that the prophecy has been shrouded in Conspiracy. To faithfully accomplish this task we will need to drift back and forth from the book of Daniel to the book of Revelation proving these two passages are describing 3

the same time period. Both of these passages describe the time just before the Creator Jesus returns to establish His millennial reign on earth.

Why a Millennial reign? 2 Peter 3:8 But, beloved, be not ignorant of this one thing, that one day is with the Lord as a thousand years, and a thousand years as one day. When God created man, and man fell through the temptation of sin; a countdown clock started metering out the balance of mans time to rule the earth. **Genesis 1:26** And God said, Let us make man in our image, after our likeness: and let them have dominion !!!

To prove this heavenly edict, we must analyze the history of time to define how much time has passed between the fall of man and now. If you add up the Biblical account of time using the fathers age when he begat a son and then adding the age of that son when he begat a son we are able to account for the first 2500 years after the fall of man. We are then able to account for time using the rulers of Israel to arrive at a certain figure of 4000 years after the fall of man at the time of Jesus. When adding the 2000 years that have expired between then and now, we can understand that the 6000 years of mans dominion are quickly drawing to a close.

Chapter 7

To set up your understanding of when Daniel penned chapter 7, you will recall Daniel was removed from Israel as a youth during the reign of king Nebuchadnezzar. Daniel obtained favor through the reign of Nebuchadnezzar and this continued for many years; however Daniel had lost favor with the reign of king Belshazzar. Daniel is no longer advising the rulers of the kingdom and God starts to give Daniel his own visions. There is a 2 year passage of time between Daniels night vision in the first year of Belshazzar (chapter 7) and the day vision in the third year of Belshazzar (chapter 8).

God loves Daniel and wants to share with him secrets leading up to the glorious rule of God over His Creation. Many of the Prophets speak of this time when God rules His Creation as “In That Day” looking forward to the Day when Christ Jesus sits on His Throne to Rule. We also find that God Loved the Apostle John and shared with him this very same secret description of that very same time. Because these two Biblical passages cover the same material, we will draw from both sources in our analysis.

Daniel 7:2-3 Daniel spake and said, I saw in my vision by night, and, behold, the Four Winds of the heaven strove upon the great sea. And four great beasts came up from the sea, diverse one from another.

Revelation 7:1 And after these things I saw four angels standing on the four corners of the earth, holding the Four Winds of the earth, that the wind should not blow on the earth, nor on the sea, nor on any tree.

As we enter our study of this chapter, we are made aware of an impending World War that will unite the world into one governmental system or a “One World Government”. All Angels are on deck as this final conquest between darkness and light prepares to enter the transition between the Dominion of Man and the Dominion of God. The term “The Four Winds” tells us that all the Angelic forces are poised for battle in this global and universal climax of Heavenly Authority over Creation.

Daniel 7:4-5 The first was like A Lion, and had Eagle's Wings: I beheld till the wings thereof were plucked, and it was lifted up from the earth, and made stand upon the feet as a man, and a man's heart was given to it. And behold another beast, a second, like to a Bear, and it raised up itself on one side, and it had three ribs in the mouth of it between the teeth of it: and they said thus unto it, Arise, Devour Much Flesh.

Revelation 6:2-4 And I saw, and behold a White Horse: and he that sat on him had a bow; and a crown was given unto him: and he went forth conquering, and to conquer. And when he had opened the second seal, I heard the second beast say, Come and see. And there went out another Horse that was Red: and power was given to him that sat thereon To Take Peace From the Earth, and that they should kill one another: and there was given unto him a great sword.

Both these passages reveal the same war between the Western forces and the Eastern forces that will culminate with one force for world dominion. This first beast of both these passages describe the Western NATO allied forces with a Lion of England and the Eagles Wings of America as the White Horse of Revelation. The second beast represents the communist Bear of Russia as the Red Horse in Revelation. Both of these passages identify the Communist Russian Bear or Red Horse as the instigator of this World War in the command to devour much flesh and take peace from the earth.

At this point we must understand the organizational method of prophetic works. God will send one vision and then complement that vision with a second

representation of the same material from another view. Pharaoh received two dreams of the same bountiful harvest followed by a lack of harvest. In this same method, Daniel is given 2 visions of the same time, one vision incorporates the Eastern communist forces against the west, while the second vision incorporates the eastern allied Muslim forces of Persia or Iran with the Western Realm of Grecca.

We see the same method used by God when informing the Apostle John through the Preview of all that is contained within the sealed book represented in the removal of each seal. Remember John is told to come and see as he peered down into the sea of glass before the Throne of God to witness the effect of the removal of each seal. Remember the Sixth Seal previews for us what shall happen at the Last Trump in Revelation chapter 11:15 where the Wrath of God is administered upon the rebellious world.

Revelation 8:7-12 The **First Angel** --- and the third part of trees was burnt up, and all green grass was burnt up. And the **Second Angel** sounded, --- and the third part of the sea became blood; And the third part of the creatures which were in the sea, and had life, died; and the third part of the ships were destroyed.

And the **Third Angel** sounded, --- and the third part of the waters became wormwood; and many men died of the waters, because they were made bitter. And the **Fourth Angel** sounded, and the third part of the sun was smitten, and the third part of the moon, and the third part of the stars; so as the third part of them was darkened, and the day shone not for a third part of it, and the night likewise.

The Preview of the World War in the first two seals is demonstrated within the first four Trumps where we find the killing of 1/3 of the marine life, the sinking of 1/3 of the ships, poisoning of 1/3 of the water and the burning of war darkens the atmosphere. In the 60s America developed Nuclear torpedoes for navel warfare and you can see how this can produce the sinking of 1/3 of the ships while killing 1/3 of the fish and poisoning 1/3 of the water.

Daniel 7:6 After this I beheld, and lo another, like a leopard, which had upon the back of it four wings of a fowl; the beast had also four heads; and Dominion was given to it.

Revelation 6:5-6 And when he had opened the third seal, I heard the third beast say, Come and see. And I beheld, and lo a Black Horse; and he that sat on him had

a Pair of Balances in his hand. And I heard a voice in the midst of the four beasts say, A measure of wheat for a penny, and three measures of barley for a penny; and see thou hurt not the oil and the wine.

Remember the first two beasts or horse riders conducted a World War and the aftermath of this war provides a single Authority with Dominion and power to levy world financial control.

Daniel 7:7-8 After this I saw in the night visions, and behold a Fourth Beast, dreadful and terrible, and strong exceedingly; and it had great iron teeth: it devoured and brake in pieces, and stamped the residue with the feet of it: and it was diverse from all the beasts that were before it; and it had ten horns. I considered the horns, and, behold, there came up among them another Little Horn, before whom there were three of the first horns plucked up by the roots: and, behold, in this Horn were Eyes like the Eyes of Man, and a mouth speaking great things.

Revelation 6:7-8 And when he had opened the Fourth Seal, I heard the voice of the fourth beast say, Come and see. And I looked, and behold a Pale Horse: and His Name that sat on him was Death, and Hell followed with him. And power was given unto them over the fourth part of the earth, to kill with sword, and with hunger, and with death, and with the beasts of the earth.

The introduction of this personality called Death who Daniel is told to be a Little Horn with the eyes of man is the Antichrist and Hell follows Him. This world dictator will kill ¼ of the remaining humans on earth that survived the World Wide Nuclear War that ushered in this transitional tribulation period in this war between Darkness and Light. Revelation 13:5 informs us that this personality will rule for 42 months before being neutralized by the Creator.

Revelation 9:1 And the fifth angel sounded, and I saw a star fall from heaven unto the earth: and to him was given the key of the bottomless pit.

Revelation 11:7 And when they shall have finished their testimony, the Beast that Ascendeth Out of the Bottomless Pit shall make war against them, and shall overcome them, and kill them.

In Revelation chapter 6 we have the preview of this nefarious character named death and as the fifth Angel sounds the Fifth Trumpet, we find the Bottomless Pit being opened and we discover in Revelation 11:7 just what has been locked up in the Pit. Remember the Devil was kicked out of Heaven after causing the Woman to eat of the forbidden fruit and thus altering the relationship the Creator

had with His Created. Over the past two thousand years and most notably the past two hundred years, the fallen angels have enabled and harnessed humanity to develop a vast assortment of technology designed for the satanic assault on the Sides of the North and the Heavenly Throne of God. The release of their Champion from the Bottomless Pit is the only obstacle delaying their attack.

Revelation 12:7-9 And there was war in heaven: Michael and his angels fought against the dragon; and the dragon fought and his angels, And prevailed not; neither was their place found any more in heaven. And the great dragon was cast out, that old serpent, called the Devil, and Satan, which deceiveth the whole world: he was cast out into the earth, and his angels were cast out with him.

Revelation 12:12 Therefore rejoice, ye heavens, and ye that dwell in them. Woe to the inhabitants of the earth and of the sea! for the devil is come down unto you, Having Great Wrath, because he knoweth that He Hath But A Short Time.

After the failed coup for the Heavenly Throne of God the defeated fallen angel forces return to earth knowing that they have a very limited time to conduct their World Government over-site. It would be prudent to identify three sources of end time wrath at this point. Remember the World Wide Nuclear War that ushered in this Tribulation Period? That was the Wrath of the dominion of Man. Now we are told that the Devil has a short time to display to the world his Great Wrath. We will discover that at the Last Trump, God will begin to display His Great Wrath through the Vials of Revelation 15.

Daniel 7:21 I beheld, and the same horn made war with the saints, and prevailed against them;

Daniel 7:25 And he shall speak great words against the most High, and shall Wear Out the Saints of the Most High, and think to change times and laws: and they shall be given into his hand until a time and times and the dividing of time. (3 ½ Years)

Revelation 6:9-10 And when he had opened the fifth seal, I saw under the altar the souls of them that were slain for the word of God, and for the testimony which they held: And they cried with a loud voice, saying, How long, O Lord, holy and true, dost thou not judge and avenge our blood on them that dwell on the earth?

The same story told in the same order to two men greatly favored by God who lived hundreds of years apart and thousands of years in our History, and yet we see the manifestation of God's hand bringing to pass all that He has ordained by His Own Word.

Daniel 7:18 But the saints of the most High shall take the kingdom, and possess the kingdom for ever, even for ever and ever.

Daniel 7:22 Until the Ancient of days came, and judgment was given to the saints of the most High; and the time came that the saints possessed the kingdom.

Zechariah 2:11 And many nations shall be joined to the LORD in that day, and shall be my people: and I will dwell in the midst of thee, and thou shalt know that the LORD of hosts hath sent me unto thee.

Chapter 8

Here we find Daniel receives a Day Vision to compliment his first Night Vision about 2 years following the first vision. Daniel was a man of prayer and having received secret information about the leading up to the end of time, he was greatly troubled and concerned for his people Israel and their position with God.

Daniel 8:3-4 Then I lifted up mine eyes, and saw, and, behold, there stood before the river a Ram which had Two Horns: and the two horns were high; but one was higher than the other, and the higher came up last. I saw the ram pushing westward, and northward, and southward; so that no beasts might stand before him, neither was there any that could deliver out of his hand; but he did according to his will, and became great.

Here we find a description of a Ram with 2 horns and one is larger and came up last. We are told later in the text that the rams 2 horns represent Iraq for the smaller horn and Iran for the larger horn which signifies the War with Iran will be larger and follow the first war with Iraq. Daniel is told that the horns represent Media and Persia, I only represented them as our modern country's for effect. Notice this ram represents Kingdoms of the east because that is the only direction they do not push in for they resides there in the east.

Daniel 8:5-7 And as I was considering, behold, an He Goat came from the West on the Face of the Whole Earth, and Touched Not the Ground: and the goat had a notable horn between his eyes. And he came to the ram that had two horns, which I had seen standing before the river, and ran unto him in the fury of his power. And I saw him come close unto the ram, and he was moved with choler against him, and Smote the Ram, and brake his two horns: and there was no power in the ram to stand before him, but he cast him down to the ground, and stamped upon him: and there was none that could deliver the ram out of his hand.

We are told later in the text that this He Goat is the Western realm of Grecca or the descendants of Greece. During the western expansion, Grecco Roman migration after reaching the western shores of Europe, discovered the new land we now call America. It would be hard to identify the land of America some twenty five hundred years ago except by their heritage and that's what we see here. Notice that this He Goat comes on the face of the whole earth and does not touch the ground. Here we find this vision starting with a world wide war between principle players that we see currently manifested before us in modern times. We can logically deduct from this text that the American / NATO air campaign is successful and if it were possible to declare a victor of a war in advance, this might be that occasion; how can anyone be a victor in a war of such magnitude?

Daniel 8:8-12 Therefore the He Goat waxed very great: and when he was strong, the great horn was broken; and for it came up four notable ones toward the four winds of heaven. And out of one of them came forth a Little Horn, which waxed exceeding great, toward the South, and toward the East, and toward the pleasant land. And it waxed great, even to the host of heaven; and it cast down some of the host and of the stars to the ground, and stamped upon them. Yea, he magnified himself even to the prince of the host, and by him the daily sacrifice was taken away, and the place of his sanctuary was cast down. And an host was given him against the daily sacrifice by reason of transgression, and it cast down the truth to the ground; and it practised, and prospered.

As we saw in the previous vision, this World War culminates with the One World Dictator we know as the Antichrist. What is not obvious is that the Nuclear War conducted by the He Goat ends with EMP warfare and the removal of the electronic society. So when it states the Great Horn was broken, this is the implementation of that world superpower poised for complete world domination being sidelined. This is that Lion of England with American Eagles Wings being plucked off the Lion and no longer able to influence world affairs. It was necessary to shut down the global electric grid while the fallen angels depart for their heavenly conquest attempt. When they return the Lion of England with the eyes of man will assume authoritative position for the Northern Kingdom.

How perplexing to receive assurance that your nation would be restored to the promised land, that the temple would be rebuilt and that offerings would be given, and then to receive knowledge that the sacrifices would be stopped and the sanctuary would be cast down. I am sure Daniel was beside himself as he discovered this from the angelic source.

Daniel 8:13-14 Then I heard one saint speaking, and another saint said unto that certain saint which spake, How long shall be the vision concerning the daily sacrifice, and the transgression of desolation, to give both the sanctuary and the host to be trodden under foot? And he said unto me, Unto Two Thousand and Three Hundred Days; then shall the sanctuary be cleansed.

The Meat of the prophecy starts with figures and numbers that can account for time displacement and validate our understanding of how all this must transpire. The question has been asked as to the “length of the Vision” that involves the Abomination of Desolation or transgression of desolation. The total length of this vision shall be the amount of time of 2300 days. We must at this point associate these 2 visions together as one general vision with 2 viewpoints and we must emphasize the definitive time allotted for this Prophetic event.

Daniel 8:16-17 And I heard a man's voice between the banks of Ulai, which called, and said, Gabriel, make this man to understand the vision. So he came near where I stood: and when he came, I was afraid, and fell upon my face: but he said unto me, Understand, O son of man: for at the Time of the End shall be the vision.

God tells Gabriel to assist Daniel in understanding the Vision using the singular sense meaning that these two visions are one account of the same event. We are also informed by the angel that the event would take place at the “Time of the End”.

Daniel 8:26 And the Vision of the Evening and the Morning which was told is true: wherefore shut thou up the vision; for it shall be for many days.

Again both visions are associated together and the assertion that the events are far in the future as we see in the description of “it shall be for many days”. The same source, the Angel Gabriel and the same message, that a singular vision, given in two parts, separated by 2 years of Daniels life that would take place at the End of Time, solidifies our understanding of this material.

Daniel 9:23 At the beginning of thy supplications the commandment came forth, and I am come to shew thee; for thou art greatly beloved: therefore understand the matter, and Consider the Vision.

Gabriel returns during the first year of the rule of Darius to expand Daniels knowledge of this End of Time Sanctuary desecration or the Abomination of Desolation and he tells Daniel to understand the matter by considering this two part vision of the Time of the End.

At this point Gabriel adds more texture to the vision by identifying a subset of the previous figure of 2300 days that we were told would be the total length of time required to fulfill the events associated. This subset of time is denoted as 70 weeks or 490 days of the 2300 days.

Daniel 10:14 Now I am come to make thee understand what shall befall thy people in the latter days: for yet the vision is for many days.

Gabriel again returns during the first year of the reign of Cyrus to complete Daniels training on this End of Time Vision and again Gabriel identifies this two part vision as one singular vision that would happen in the latter days.

Chapter 9

Through the last half of Daniel we find an account of the Four times the Angel Gabriel was sent by God to embed within Daniel the knowledge of what shall happen to his people concerning the replacement of the Jewish Law of Moses through the termination of the Old Covenant and the restoration of the Jewish people to their God through these 70 weeks. We find Daniel in this chapter studying the writings of Jeremiah. Daniel mentions the rebellion of his people and pleads to God for mercy and forgiveness. We understand that Daniel understood that God had decided to revoke the Old Covenant and redefine the method required for the Jewish people to commune with their Creator through this New Covenant.

Daniel 9:23-25 At the beginning of thy supplications the commandment came forth, and I am come to shew thee; for thou art greatly beloved: therefore understand the matter, and consider the vision. Seventy weeks are determined upon thy people and upon thy holy city, to finish the transgression, and to make an end of sins, and to make reconciliation for iniquity, and to bring in everlasting righteousness, and to seal up the vision and prophecy, and to anoint the most Holy. Know therefore and understand, that from the going forth of the commandment to restore and to build Jerusalem unto the Messiah the Prince shall be seven weeks, and threescore and two weeks: the street shall be built again, and the wall, even in troublous times.

Again Daniel is instructed to consider the vision when accounting for these 70 weeks. This is what shall befall thy people in the last days or the Time of the End. Notice the actions of these 70 weeks complete the forgiveness process and unify the Jewish people back to their Creator. Through the deceptive conspiracy introduced by Josephus, many biblical scholars have been found wasting their life chasing their tail to assign a starting and ending point to these 70 weeks. 12

To identify all the subsets of the 2300 days we must incorporate the parallel passages in the Revelation. You will recall that all the prophetic texts show that a world war ushers in the starting point of this 2300 day End Time prophecy. We also showed that the seals on the book in Revelation demonstrate a Preview of the contents of the Book. As we see the actual events transpire within the book after the final seal is removed; we discover that the first four trumpets depict the carnage associated with this world wide war. There is no time given or associated with these first four Trumpet soundings and therefore we can conclude that they happen together and quickly. When a King would attend an event or arrive at a city, a succession of trumpets would announce their arrival. How fitting that the Creator uses 7 Trumpets to announce His Return.

Revelation 9:1 And The fifth angel sounded, and I saw a star fall from heaven unto the earth: and to him was given the Key of the Bottomless Pit.

Revelation 9:3 And there came out of the smoke locusts upon the earth: and unto them was given power, as the scorpions of the earth have power.

Revelation 9:10 And they had tails like unto scorpions, and there were stings in their tails: and their power was to hurt men Five Months.

Here we find the first mention of time in Revelations 5th Trump account and it is associated with this plague of the Bottomless Pit. We are told that this plague lasts for 5 months and we will apply 154 days to this event.

Revelation 9:13-15 And The Sixth Angel Sounded, and I heard a voice from the four horns of the golden altar which is before God, Saying to the sixth angel which had the trumpet, Loose the four angels which are bound in the great river Euphrates. And the four angels were loosed, which were prepared for an Hour, and a Day, and a Month, and a Year, for to slay the third part of men.

The second amount of time is associated with the 6th Trumpet Sounding with an army that is allotted 1 day 1 month and 1 year to accomplish their task of world unification. A day a month and a year total 396 days as another subset of time contained within the 2300 days.

Revelation 13:4-5 And they worshipped the dragon which gave power unto the beast: and they worshipped the beast, saying, Who is like unto the beast? who is able to make war with him? And there was given unto him a mouth speaking great things and blasphemies; and power was given unto him to continue Forty and Two Months.

So here we find the final subset of the 2300 days in the 42 month reign of the Antichrist. As we tabulate our figures , seventy weeks = 490 days + 154 Days + 396 days +1260 days we discover the exact figure we are trying to populate. For those who are full of pride and don't care what this cross referenced validation of the true intent of the 70 weeks mean; there is no remedy for their ignorance because their financial and scholarly position requires they maintain the traditions of their elders, the tradition of their religion, the tradition of this conspiracy.

Daniel 9:26 And after Threescore and Two Weeks shall Messiah be Cut Off, but not for himself: and the people of the prince that shall come shall destroy the city and the sanctuary; and the end thereof shall be with a flood, and unto the end of the war desolations are determined.

Notice it says after three score and two weeks and not three score and nine weeks proving that the conspiratorial deception of a final 70th week of Daniel is a delusion required to adapt this text to their erroneous concept set forth by Josephus's incorrect application of Gabriel's instructions to Daniel. It seems that this teaching of a seventieth week of Daniel is like a holy grail that must be protected at all costs, no matter what the scripture says. There are dark forces opposing any who would attempt to discredit such a distortion as we find here in Daniel. This verse declares a Covenant between the Jews who have just finished the end time temple and are waiting for the arrival of their False Messiah.

As we stated previously, this error in the translator is another deceptive distortion that allows the reader and the scholar to incorrectly ascribe this prophetic value of 70 weeks to the distortion that applies weeks of years to the assigned figure of weeks. The correct interpretation of this area of scripture indicated that after the completion of the temple which used 62 of the 70 weeks; the Antichrist steps into his position through a Covenant made with the nation Israel. So the Antichrist has 42 months to reign and we would expect to find the balance of these 70 weeks at the end of his 1260 days. We know that the Antichrist turns on the Jews at the end of his reign and that is when he commits the Abomination of Desolation to desecrate the newly built temple that the Jews have been using for worship of their false messiah.

Revelation 11:7-8 And when they shall have finished their testimony, the beast that ascendeth out of the bottomless pit shall make war against them, and shall overcome them, and kill them. And their dead bodies shall lie in the street of the great city, which spiritually is called Sodom and Egypt, where also our Lord was crucified.

Revelation 11:11 And after three days and an half the Spirit of life from God entered into them, and they stood upon their feet; and great fear fell upon them which saw them.

This event takes place at the end of the Antichrist's 42 month reign and this also ends the 42 months given to these 2 witnesses to oppose the reign of the Antichrist. Their 42 month ministry coincides with the 42 month reign of the Antichrist. So the Antichrist finally kills these 2 supernatural witnesses of God and they come back to life causing the Jews to realize that their new false messiah is an impostor because he could not keep these two dead. The Jews loose faith in the Antichrist and he turns on them causing them to flee to the Jordan mountains. That is why the Antichrist commits the Abomination of Desolation.

Daniel 12:11-12 And from the time that the daily sacrifice shall be taken away, and the abomination that maketh desolate set up, there shall be a thousand two hundred and ninety days. Blessed is he that waiteth, and cometh to the thousand three hundred and five and thirty days.

We find evidence of the balance of the 70 weeks here at the end of Daniel chapter 12. Daniel was a diligent investigator and Prophet as he pried out of Gabriel this final figure allowing us to see the complete picture of the 70 weeks.

Chapter 10, 11 & 12

Chapters 10, 11 and 12 record the final visit of Gabriel to Daniel with an expansion on the details surrounding what shall befall thy people in the end of time. This expansion of knowledge incorporates political or world governmental authority within the 2300 day period defined in the vision Daniel received in chapters 7 and 8. To constrict all the activity contained within chapter 11 into a period of 2300 days is a feat similar to pulling a camel through the eye of a needle; we will allow the Creator to lead us through the task.

Daniel 10:1 In the third year of Cyrus king of Persia a thing was revealed unto Daniel, whose name was called Belteshazzar; and the thing was true, but the time appointed was long: and he understood the thing, and had understanding of the vision.

Daniel is an old man at this time when Gabriel brings this final installment of secret knowledge. The description that the time appointed was long indicates that the actions would not occur for a very long time.

Daniel 10:14 Now I am come to make thee understand what shall befall thy people in the latter days: for yet the vision is for many days.

Again we are to understand that this material is also connected to the previous vision with a purpose to add more details concerning the final world government before the Creator would take control over His Creation.

Daniel 10:20-21 Then said he, Knowest thou wherefore I come unto thee? and now will I return to fight with the prince of Persia: and when I am gone forth, lo, the prince of Grecia shall come. But I will shew thee that which is noted in the scripture of truth: and there is none that holdeth with me in these things, but Michael your prince.

The last verse in Daniel chapter 10 informs us that Daniel is about to receive information contained within the Scripture of Truth indicating a foreordained plan or secret plan that only Michael and this instructor are aware of. Notice that these Angels are at war with the fallen angels to constrain their progress. God often uses competing worldly forces to fight and constrain the world into Gods predefined plan, and here we see that the Angel is aware that Greek forces would soon enter the battle with Persia giving Alexander the great a pathway east.

The definition “prince” of Persia or prince of the Greek nation are not necessarily identifying a person, but rather the Fallen Angel in control of that country.

Daniel 11:1-2 Also I in the first year of Darius the Mede, even I, stood to confirm and to strengthen him. And now will I shew thee the truth. Behold, there shall stand up yet three kings in Persia; and the fourth shall be far richer than they all: and by his strength through his riches he shall stir up all against the realm of Grecia.

Gabriel tells Daniel that it was he who God used to setup Darius over Babylon and remember king Darius and Daniel were good friends. King Darius had reinstalled Daniel to a place of Honor as the principal overseer to kingdom affairs. You will recall this made his adversary's trick the king into a law that would place Daniel in the lions den.

Daniel 11:2 And now will I shew thee the truth. Behold, there shall stand up yet three kings in Persia; and the fourth shall be far richer than they all: and by his strength through his riches he shall stir up all against the realm of Grecia.

We are told of a fourth Persian king who shall stir up all against the realm of Grecia. This Iranian leader is uniting the Muslim and Communist world against the Western Kingdom. Even Turkey, a NATO power is about to join the Iranian assault on Israel. Notice that the Nation Israel is the center of this end time prophecy.

Daniel 11:3-4 And a mighty king shall stand up, that shall rule with great dominion, and do according to his will. And when he shall stand up, his kingdom shall be broken, and shall be divided toward the four winds of heaven; and not to his posterity, nor according to his dominion which he ruled: for his kingdom shall be plucked up, even for others beside those.

Who is like unto America in power as the last superpower before the great WW3, we can see why Iran must stir up all against us for it is the only chance they have at a fair fight. So America Stands up with NATO or that part of NATO that still sides with the west. (Remembering Chapter 8)

A He Goat came from the West on the Face of the Whole Earth, and Touched Not the Ground: Smote the Ram, and brake his two horns: The He Goat waxed very great: and when he was strong, the great horn was broken; and for it came up four notable ones toward the Four Winds of Heaven.

Daniel 7:4-5 The first was like A Lion, and had Eagle's Wings: I beheld till the Wings thereof were Plucked, and it was lifted up from the earth, and made stand upon the feet as a man, and a man's heart was given to it.

Revelation 7:1 And after these things I saw Four Angels standing on the Four Corners of the Earth, holding the Four Winds of the earth, that the wind should not blow on the earth, nor on the sea, nor on any tree.

As Gabriel begins his description of this final time, he is drawing from the vision he had previously given Daniel to strengthen Daniels understanding that all this information is of the same time that precedes the Creators return to set things in Heavenly order void of the influences of the fallen angels. Notice how Gabriel uses the same terminology to identify the players as he tells Daniel that the Kingdom is Plucked Up and Broken while still incorporating the Four Winds of Heaven indicating this is the beginning of what we know as the

tribulation period. Again this point in time is associated with a World War between the West and the East incorporating the Four Winds meaning all Angels are on Deck and prepared for the Battle between Light and Darkness.

It is very easy to get lost in the weeds as we attempt to keep track of the accounting of time because Gabriel adds an overview of actions incurred by principal players that transpired throughout the whole 2300 days and then he begins to address another principal player. It is as if I am telling you about a car I bought 10 years ago and I tell the entire history of my ownership to the mechanic so he can diagnose a noise I am currently experiencing. All the added information makes it harder for us to identify the passage of time.

We have identified a known quantity in associating the prophecy with a predefined length of time of 2300 days set forth by Gabriel in Daniel 8:14. We have also identified the same starting players identified with the same descriptive adjectives used to identify them. As we conduct our autopsy of this passage we must apply forensic reasoning to assimilate it's correct application to our study. First we will identify the principal players that exist after the aftermath of the world wide war that ushers in this end time period. Then we will evaluate how their position assimilates within our time envelope.

Daniel 11:5-6 And The King of the South shall be strong, and one of his princes; and he shall be strong above him, and have dominion; his dominion shall be a great dominion. And in the end of years they shall join themselves together; for the king's daughter of the south shall come to the king of the north to make an agreement: but she shall not retain the power of the arm; neither shall he stand, nor his arm: but she shall be given up, and they that brought her, and he that begat her, and he that strengthened her in these times.

Principal Player # 1 – the Prince of the King of the South who usurps the authority of the King of the South and it appears these players remain static through the 2300 days. Also note that there is war between the northern and southern kingdoms for a lot of the 2300 day period, however we are told that at the very end they are drawn together by marriage and we will find both these kingdoms acting together when they both turn on the Antichrist at the end of his 42 month reign.

Daniel 11:13 For the King of the North shall return, and shall set forth a multitude greater than the former, and shall certainly come after certain years with a great army and with much riches.

Principal Player # 2 – **King of the North #1** who shall remain a constant until just before the Antichrist assumes that position We also know the Antichrists duration to be 42 months. This king seem to be in constant war with the king of the south.

Daniel 11:20 **Then shall stand up in his estate a raiser of taxes in the glory of the kingdom: but within few days he shall be destroyed, neither in anger, nor in battle.**

Principal Player # 3 – This occupier of the Position of the **King of the North# 2** only lasts a few days after the first king of the north has passed away, but he is still holding a principal position and therefore must be accounted for him.

Daniel 11:21-23 **And In His Estate shall stand up a Vile Person, to whom they shall not give the honour of the kingdom: but he shall come in peaceably, and obtain the kingdom by flatteries. And with the arms of a flood shall they be overflown from before him, and shall be broken; yea, also The Prince of the Covenant. And after the League made with Him he shall work deceitfully: for he shall come up, and shall become strong with a small people.**

Principal Player # 4 – **King of the North #3 The Vile Person** here we find the Antichrist assuming the role of King of the North, notice he makes a League or Covenant making him the Prince of the Covenant. Soon after He will unify the world under his control but we know he only has 42 months to reign. This new position will allow for another person to assume the role of King of the North because we find both the king of the south and north turning against the Antichrist at the end.

Daniel 11:40 **And at the time of the end shall the king of the south push at him: and the king of the north shall come against him like a whirlwind, with chariots, and with horsemen, and with many ships; and he shall enter into the countries, and shall overflow and pass over.**

Daniel 11:28 **Then shall he return into his land with great riches; and his heart shall be against the holy covenant; and he shall do exploits, and return to his own land.**

Daniel 11:31 **And arms shall stand on his part, and they shall pollute the sanctuary of strength, and shall take away the daily sacrifice, and they shall place the abomination that maketh desolate.**

Daniel 11:37 **Neither shall he regard the God of his fathers, nor the desire of women, nor regard any god: for he shall magnify himself above all.**

It is important to note that the Antichrist only gets 42 months and during his reign he has a covenant with the Jews to conduct worship at the newly built temple. At the end of the 42 months he turns on the Jews and desecrates the temple.

Through this passage we find a constant of 3 men who inhabit the same position as king of the north with the second lasting only a few days and the last given 1260 days or there bouts. We can therefor conclude that the first king of the north occupies his position of authority for roughly 3 years and we might also conclude that king to be the king of England. We deduce that specific from the Lion of England having the Eagles Wings Plucked off, and standing up as the ruler of the Northern kingdom for the first 3 years of the tribulation. There seems to be a constant war going on for these first 3 years between the northern and southern kingdom. As the Antichrist's reign draws to a close the warfare seems to increase again. We must also understand that during this final 42 months of the reign of the Antichrist, those Two Witnesses sent from God are pouring out Plague and Natural disasters everywhere.

Daniel 11:32-35 And such as do wickedly against the covenant shall he corrupt by flatteries: but the people that do know their God shall be strong, and do exploits. And they that understand among the people shall instruct many: yet they shall fall by the sword, and by flame, by captivity, and by spoil, many days. Now when they shall fall, they shall be holpen with a little help: but many shall cleave to them with flatteries. And some of them of understanding shall fall, to try them, and to purge, and to make them white, even to the time of the end: because it is yet for a time appointed.

Revelation 12:11 And they overcame him by the blood of the Lamb, and by the word of their testimony; and they loved not their lives unto the death.

How long O Lord? We see a similar picture in the account of John where the people who know their God are found sacrificing their lives for His Name. In America we have been sheltered from this type of persecution through our law system that affords every soul room to live.

Revelation 6:10-11 And they cried with a loud voice, saying, How long, O Lord, holy and true, dost thou not judge and avenge our blood on them that dwell on the earth? And white robes were given unto every one of them; and it was said unto them, that they should rest yet for a little season, until their fellowservants also and their brethren, that should be killed as they were, should be fulfilled.

Daniel 12:1-2 And At That Time shall Michael Stand Up, the great prince which standeth for the children of thy people: and there shall be a time of trouble, such as never was since there was a nation even to that same time: and at that time thy people shall be delivered, every one that shall be found written in the book. And many of them that sleep in the dust of the earth shall awake, some to everlasting life, and some to shame and everlasting contempt.

We find at the end of the Antichrist reign, a time of trouble such as never was, the Creator Stands Up from His seated position next to the Father in Heaven to rescue His Heritage and restore His creation for His 1000 year Rule. The Last Trumpet of the seven trumps records for us when the struggle between the children of Light and the children of Darkness shall conclude. Both Daniel and John record for us the same story of how a merciful Creator shall redeem His faithful.

1 Corinthians 15:52 In a moment, in the twinkling of an eye, at the Last Trump: for the trumpet shall sound, and the dead shall be raised incorruptible, and we shall be changed.

Revelation 11:18 And the nations were angry, and thy wrath is come, and the time of the dead, that they should be judged, and that thou shouldest give reward unto thy servants the prophets, and to the saints, and them that fear thy name, small and great; and shouldest destroy them which destroy the earth.

Revelation 10:6-7 And sware by him that liveth for ever and ever, who created heaven, and the things that therein are, and the earth, and the things that therein are, and the sea, and the things which are therein, that there should be Time No Longer: But in the days of the voice of the Seventh Angel, When He Shall Begin to Sound, the mystery of God should be finished, as he hath declared to his servants the prophets.

Weed Control

As I said in the intro to this section of Scripture, it is easy to get bogged down in the abundance of information in this chapter and therefor we must rely on things we know will remain constant and such as the total length of the vision, and through deductive reasoning we can forensically evaluate the information we do have and theorize the few elements that are not so evident. After these prophecy's are thousands of years old and we are but human tools available for the Masters use. I am only presenting what I believe the Creator has whispered in my ear concerning His secrets and the revelation He has made to His Prophets.

*Note: It appears that the capitol of the Southern Kingdom is Egypt **Daniel 11:8** And shall also carry captives into Egypt their gods, with their princes, and with their precious vessels of silver and of gold; and he shall continue more years than the king of the north.*

Note: Branch of her roots indicates a relative of hers but does not denote passage of time.

***Daniel 11:7** But out of a branch of her roots shall one stand up in his estate, which shall come with an army, and shall enter into the fortress of the king of the north, and shall deal against them, and shall prevail:*

***Flavius Josephus the conspirator:** This historical figure was a Jewish general connected with temple worship duties who defected to the Roman army while the soon to be Roman Emperor Vespasian was confronting the Jews. Josephus by his own account assisted Vespasian and his son Titus in the destruction of Jerusalem and the Death of many Jews. His own writings condemn him in his traitorous actions and he attempts to explain why he was not guilty of their deaths. This man was a instrument of Rome, and though his writings persevere for our day many details from Jewish and Roman antiquity, he was not a Christian, he was not a faithful Jew and His deceptive analogy in applying the prophecy of Daniel to his time has distorted the true meaning of the Message Gabriel was sent to deliver to Daniel and the Jewish Heritage. This writing is in Opposition to that view and in defense of Gods True intent to establish His Chosen People of Israel a hope in their Creator that will endure forever.*
