

# 2nd Annual AEPi Charity Golf Classic

**SPONSORSHIP  
OPPORTUNITIES**

Benefitting:

## MISSION

SAVE A CHILD'S HEART (SACH) saves the lives of critically ill children suffering from heart disease in countries where access to pediatric heart care is limited or nonexistent. Through bringing children to Israel for medical care, performing missions abroad, and training medical personnel, we are bringing hope to families, communities, and countries. SACH's goal is to improve the health and welfare of all children, regardless of the child's nationality, religion, color, gender or financial situation.

## IMPACT

Since its inception in 1996, SACH has saved the lives of over 7,500 children. This number includes approximately 350 children per year from more than 73 countries in Africa, South America, Europe, Asia, and throughout the Middle East, including the Palestinian Authority and Gaza, Iraq and Syria. SACH has also trained more than 160 medical personnel from 17 partner sites, including Ethiopia, Azerbaijan, China, Congo, Kenya, Nigeria, and Russia.

## AWARDS

Save a Child's Heart is an Israeli-based international non-profit organization, with special consultative status granted by the United Nations Department of Economic and Social Affairs (ECOSOC) and recent recipient of the 2018 prestigious United Nations Population Award. Save a Child's Heart is the first Israeli not-for-profit organization recognized by the UN.

# 2nd Annual AEPi Charity Golf Classic

## Mesa, AZ

This November, Alpha Epsilon Pi will be hosting our second annual golf tournament benefitting Save a Child's Heart.

Proceeds from this event will go directly towards our mission of helping save the lives of critically ill children from across the world. The event will be held at Dobson Ranch Golf Club in Mesa AZ.

As the largest student run charity golf event in Arizona State history, this year our event is working to save the lives of even more children this year. This event is also a community event to bring together individuals in the community who are passionate about philanthropy and golf.

As long as children with rheumatic and congenital heart disease around the world continue to suffer without access to care, we will treat children, train medical professionals and raise the level of paediatric heart care worldwide, from our heart in Israel. From the children and parents with the courage to trust, to the doctors with courage to heal, we are proud to support **SAVE A CHILD'S HEART**.
