Domain

WE MAKE WHAT WE DESIGN

Domain, is a reverence given to our boundary pushing & odd defying clients who have made it to a class of their own. It is a preferential class of people, organisations or corporate bodies who have one way or the other **reached or exceeded** our **£1,143** or **£5,699** requirements with a single order.

It is a wonderful place to be when you have access and privileges.

Note: Amount stated above is in United Kingdom Currency (British Pounds Sterling).

I am a Domain Access who enjoys Seasonal Gifts and exempted from all Design Sample chargers.

Leveraging the Live Design Service Package gives me the one-on-one service in the comfort of my office, saving me time with the back and forth stress in design bits.

A 30% Discount on orders starting at only £1,143 and swift deliveries and installations at no cost.

Domain

Sky

as the name suggest, **Sky** is truly the limit. This are Access Domain Clients who have relied solely on the us for our Services and have accrued a certain level of credibility. As a show of gratitude and good will, **we select them exclusively to receive such endearing treats and privileges.**

However, we deem it graceful when a client or a corporate body has been able to make a service request with **£1,000,000** that gracefully gives them automatic qualification by default without our selective protocols, such a gesture Is considered a bridge. There is no age restriction in our protocols, it is just a matter of your Business ethics.

As a Sky Domain comes the **luxury of orders turning into a request.**

At this point your regular orders are considered as **requests** instead of an order you pay for.

Simply put, **you don't pay for anything when you make a request**, from **design to production** is **without charges**, no invoice is issued, **the work is completely funded by us** and delivered to your specifications.

Sky Domains enjoy all the benefits & privileges of Access Domain without their relative charges.
