LiveDesign

LiveDesign

This service gives you **access** to our creative personnel at your preferred location, home, office, coffee shop, etc. giving you a **one-on-one design service** to zoom in on those **private or confidential projects** with the speed and precision you need for the task at hand all in a days work, **at a one time fee of £1000**

Booking A Live Session

Starting at £1,000 a day.

1. **A list of services** intended for your Live Design Session should be sent to us via email to hello@hillspremium.vip a day before the meeting.
2. **Payment of 70% of service charge** should be paid prior to meeting date and an instant 30% after session ends.
3. **Live Design Session starts at 8:00am and ends officially at 6:00pm.** There is the option to tailor the meeting time to your own specification. If your desired time falls **within** our official time frame, there is no further charges, unless it falls **without** our time frame, then corresponding charges will be effected.
4. **Projects or assignments that were in progress before the end of a Live Design session,** will be gracefully completed at a later time and delivered without any further charges.
5. **By 4:00pm during a session, all new additions are terminated,** to make ample time to complete any current design work in progress and also to avoid situations where design works are postponed to the next day, hence our request for service list prior to meeting time. To adequately exhaust all your service needs within our set time.
6. **Our goal is to give you a comfortable, Premium and Secured Live Design Service.** Discretion, Speed and Precise tailored design to your very need is of paramount concern, so don't hesitate to speak your mind concerning your specifications.
7. If an appointment is made and for some reason a client cannot be present, we can always reschedule to a more suitable time and place.
8. **We do not hold or require any royalty on any service offered,** the client is at liberty to use their work as they see fit. Our charges are one time payment only.
9. **Live Design Service request charges do not include Corporate Branding, Illustrations, Book Design, Book Illustrations and Website Development.** You can find pricing in our Service Price List available for download on our website; www.hillspremium.vip
Those services are however available in our **Live Design Bespoke.**

LiveDesign
Bespoke

LiveDesign Bespoke

Bespoke is an inclusion of everything great about Live Design without any limitation. Bespoke is expanded to 5 days and embodied with all our entire service line up, corporate branding, Book Design, etc. without any restrictions and time limit features. It can also be feature tailored based on your preference and project.
