

Official Identification

Document Title: Heritage Asset Technical Manifest & Type Code Summary

Entity: DaniCircular (by AnchorPoint Advisory ApS)

Region of Origin: Capital Region, Denmark

Compliance: EU WEEE Directive / Danish Export Regulation (BEK nr 140)

Section A: Corporate Mobility & Enterprise ICT (Phase 1)

For Fintech and Business Elites in Africa.

Device Class	Brand Focus	Security / Origin Standard	Lifecycle Status
Workstations	MacBook, HP Z-Book, Dell Precision	Danish Corporate Tier-1 Sourcing	Grade A and A+ (Certified OEM Components)
Mobile Hardware	Apple iPhone, Samsung S-Series	MDM Unlocked; Battery Health >85%	Authenticated Non-Grey Market
Server Infrastructure	Dell PowerEdge, HPE ProLiant	BIOS/UEFI Secure-Boot Reset	Dual Power Supply Load-Verified

Section B: Industrial Power & Automation (Phase 2)

For procurement officers in Marine, Power, and Manufacturing.

Asset Category	Primary Brands	Sample Type Codes (Standardized)	Technical Verification Standard
VFD / Drives	Danfoss, ABB	VLT-FC302-P11KT5, ACS880-01-034A-3	Load-tested; DC Bus health certified
PLC Systems	Siemens, ABB	6ES7511-1AK02-0AB0, PM573-ETH	Factory reset; Firmware integrity check
Switchgear	Schneider, Siemens	MasterPact NW20, Sentron 3VA	Thermal imaging verified; Arc-flash tested

Section C: Precision Medical Infrastructure (Phase 3)

Accelerating access to modern healthcare by extending the lifecycle of premium, compliant diagnostic and treatment equipment sourced from the Danish healthcare ecosystem.

Clinical Verification & Compliance:

Asset Category	Focus Systems	Compliance Standard
Diagnostic Imaging	Ultrasound, X-Ray, MRI components	OEM-calibrated; Radiation safety verified.
Therapeutic Systems	Patient Monitoring, Infusion Pumps	

The DaniCircular Authentication Standard

"Every asset in this manifest follows a strict 4-step Chain of Custody:"

- 1. Verified Sourcing:** Exclusively from Danish Tier-1 lifecycle partners.
- 2. Technical Auditing:** Diagnostic testing of every I/O point and power component.
- 3. Environmental Compliance:** Full documentation for cross-border African customs.
- 4. Data Sanitization:** ADISA-compliant data erasure for all digital memory.
