Arabic Grammar for Kids & Mothers

# حُرُوفُ الْجَرِّ

What are the Huruful Jarr?

হরুফুল জার কী?

In Arabic grammar, Huruful Jarr (حُرُوفُ الْجَرِّ) function as prepositions. They are placed immediately before a noun or pronoun. They change the ending of the word into Majrūr (مجرور).

আরবি ব্যাকরণে, হরুফুল জার প্রিপোজিশনের মতো কাজ করে। এগুলো সরাসরি কোনো বিশেষ্য বা সর্বনামের আগে বসানো হয়। হারফ গুলি বিশেষ্য বা সর্বনাম শব্দকে মাজরুরে পরিবর্তন করে।

# How to Use These Flashcards

## For Mothers & Children

Learning Arabic becomes easy and enjoyable when done with small, consistent steps.  
These flashcards are designed to help your child understand the 11 most used Huruful Jarr found in the Qur'an..

### ☀️ 1. Start With One Card a Day

Show your child one card and read together:  
The Arabic word  
The English meaning  
The Bangla meaning  
The example sentence  
Keep it short – 3 to 5 minutes is enough.

### ☀️ 2. Let Your Child Repeat After You

Ask your child to repeat the Arabic word and its meaning.  
Repetition builds confidence and memory.

### ☀️ 3. Use the Picture to Explain the Meaning

Each card has a small icon.  
Point to the icon and explain how it matches the meaning.  
Children learn faster when they can see the idea.

### ☀️ 4. Review Previous Cards Every Few Days

Keep the cards in a small box or envelope.  
Every 3–4 days, take out 2–3 old cards and review them quickly.  
This strengthens long-term memory.

### ☀️ 5. Give Real-Life Examples

Use simple examples from daily life:

“.The toy is in the box“ :(in) فِي  
“.The cup is on the table“ :(on) عَلَى  
“.We came from the park“ :(from) مِنْ

..This helps your child connect Arabic to real situations

### ☀️ 6. Practice the Example Sentences

Read the example sentence on the back.  
If your child is older, let them read it aloud.  
If younger, let them listen and repeat a few words.

### ☀️ 7. Use the Poster for Daily Visual Memory

Hang the Huruful Jarr poster on the wall.  
Seeing the words daily helps children remember without effort.

### ☀️ 8. Be Consistent, Not Perfect

Even if you miss a day, don't worry.  
Just continue the next day.  
Small steps every day lead to big progress.

May Allah make your journey of Arabic and Qur'an learning easy and blessed. 🌿 ✨
