# PREMIUM TASMANIAN

Only the finest — selective and exceptionally quality produce.

From processing to final pack, our roe is carefully selected and expertly crafted into premium value-added products, delivering rich flavour and consistent quality every time.

# QUALITY IS NEVER AN ACCIDENT

it's a promise.

We take pride in selecting the best produce throughout the process and handling it with care, so you enjoy only the very best every time.

# WE ARE ON A MISSION

From pest to purpose — for our oceans, our communities, and our future.

Salty Roe offers a premium selection of value added sea urchin products, along with a newly launched range of value-added dry produces, including, Soup, Furikake, and seasoning products.
