Academic Achievements 2025-26

RN International Public School has consistently upheld excellence in academics along with holistic development of students. The school takes pride in its outstanding board results and remarkable achievements in various co-curricular domains.

Academic Excellence

The school achieved a 100% result in Class X Board Examination, reflecting the dedication of students and teachers. The academic scholars of Class X are Abhay Verma, Yuvraj Chauhan, and Akshara who demonstrated exceptional performance.

In Class XII, the school secured an overall result of 81.5%. The toppers of Class XII are Riya Baliyan, Prachi Tomar, and Aaradhya Sharma, whose hard work and commitment brought laurels to the institution.

These results showcase the school's commitment towards quality education, disciplined academic planning, regular assessments, and individual mentoring.

Sports Achievements

The school actively promotes sports and physical education. Students participated in the CBSE Cluster Sports Tournament, where the school's Volleyball Team secured Second Position, bringing pride to the institution.

The Under-17 Kabaddi Team achieved remarkable success by emerging as Winners at the Sunset Khel Mahotsav organized at JP Academy. These achievements highlight the school's strong emphasis on teamwork, discipline, and physical fitness.

Environmental Education Initiatives

RN International Public School strongly believes in nurturing environmentally responsible citizens. The school regularly conducts activities related to environmental awareness and education, including:

Plantation drives within the school campus and nearby areas

"Say No to Plastic" campaign

Save Water awareness activities

Environmental education programs integrated into classroom learning

These initiatives help students understand their responsibility toward nature and sustainable living.

Community Engagement Activities

The school organizes various community-oriented programs to strengthen cultural values and social bonding. Events such as:

Teej Mahotsav

Dandiya Celebration

Annual Function

are organized on the school campus, where members of the community are invited to participate and celebrate together. These events promote cultural awareness, unity, and community participation.

School Management Committee

A duly constituted School Managing Committee has been formed as per norms. The committee actively monitors academic standards, infrastructure development, policy implementation, and overall school growth, ensuring smooth and transparent functioning of the institution.

PTA

The Parent-Teacher Association and Teachers' Association jointly met to discuss important decisions regarding students' academic progress, discipline, and overall development.

It was mutually decided to strengthen academic planning, improve attendance, promote co-curricular participation, and maintain better communication between parents and teachers.

Both associations resolved to work together for the continuous growth and progress of the school and the holistic development of every student.

Overall, RN International Public School continues to strive for excellence in academics, sports, environmental awareness, and community development, shaping responsible and capable future citizens.

Minutes of the PTA Meeting

Date: 17 January 2026

Venue: School Campus

A meeting of the Parent-Teacher Association (PTA) was held on 17 January 2026 to discuss important matters regarding admissions, transport, fee structure, and co-curricular development of students. The following points were discussed and resolved:

1. Admission Policy (Session 2026–27)

Admissions for Bal Vatika will be conducted on an interview basis.

Admissions for Class I and above will be granted on the basis of an entrance test.

2. Transport Routes

Parents requested door-to-door transport facility.

The school management informed that door-to-door service will be provided only where road passage permits safe movement of the school transport.

In areas where passage does not allow bus movement, parents will be required to drop and collect students from a designated common point for safety reasons.

3. Fee Structure

It was decided that there will be no admission fee for students of the Foundation Classes for the upcoming session.

4. Sports and Activity Camp

From 23rd March 2026 to 26TH March 2026, the school will organize a special activity camp for students.

The camp will emphasize:

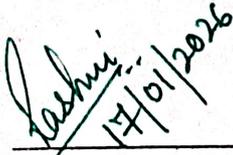

Sports activities

Martial Arts training

Music and Dance

Art and Creative Activities

The meeting concluded with a vote of thanks and a shared commitment towards the holistic development and progress of the students.
