

5th INTERNATIONAL CONFERENCE ON MULTIFUNCTIONAL MATERIALS AND RADIATION MEASUREMENTS

ICMMRM-2026

26-27 March 2026

EPJ Web of
Conference

Organized by

Department of Physics, Sri Sivasubramaniya Nadar College of Engineering (Autonomous), Chennai, Tamil Nadu, India

About the Conference

The International Conference on Multifunctional Materials and Radiation Measurements 2026 is aimed at bringing together scientists and experts to provide a common platform for sharing their scientific results, thoughts and ideas. The event would comprise invited lectures, best product display, contributed oral and poster presentations covering the latest works of the Materials Science community from India and Abroad. The main objective of the conference is to provide a forum for the participants to explore the latest developments in the field of 'Multifunctional materials' and to evolve guidelines for their further research in India and Overseas.

About SSNCE

SSNCE, an autonomous institution affiliated with Anna University and founded by Dr Shiv Nadar, the Chairman of HCL Technologies, is a philanthropic venture aimed at giving back to the society that nurtured him. SSNCE has been recognised as a highly ranked and reputable educational institution in Tamil Nadu, India, and stands out as a premier centre of higher learning with a mission to pursue excellence in education and research.

The institution, with its diverse and dynamic community of students, offers a distinctive combination of some of the finest under graduate, graduates, and research programs, accomplished faculty, world-class facilities, and a residential campus set on a sprawling 250 acres. NAAC accredits SSNCE with an A+ grade. Within a span of 25 years, SSN has grown into one of the top educational institutions in the country and attained autonomous status in the year 2018.

Some of the salient features of SSN are: it was ranked 47th in the Engineering Category and 80th among all educational institutions in the India Rankings 2024 by NIRF, MHRD; boasts state-of-the-art infrastructure with over 1.8 million square feet of buildings; and offers spacious hostels, sports facilities, and staff quarters within the campus.

About the Physics department, SSNCE: The Department of Physics was established in 1996. The Department established the Centre for Crystal Growth in 2005, the Optical Network lab in 2006, the Luminescence Research lab in 2013, the Functional Materials lab in 2015 and the Centre for Radiation, Environmental Science and Technology in 2015 for conducting active research. The faculty members of the department have executed several projects from DST, SERB, DAE-BRNS, CSIR, MNRE, NRB and UGC-DAE-CSR. More than 60 full-time research scholars are pursuing their doctorate degree with Anna University registration.

Conference topics

- Energy storage devices
- Nanotechnology and Sensors
- Polymer Nanocomposites
- Phosphors sensing applications
- Piezoelectric and Ferroelectric materials
- Topological Insulators
- Single Crystalline materials
- Radiation detectors
- Luminescent materials
- Scintillation applications
- Semiconducting materials
- Materials for biological applications
- Materials in Drug Delivery
- Radiation Bio dosimetry
- Radiation Safety and Protection
- Environmental radioactivity and Modelling
- Marine radioactivity,
- Radionuclide Tracers
- Radioecology - Radon and thoron
- Terrestrial radiation and radionuclides in groundwater
- New technology and innovations

Call for Abstracts

Abstracts are invited for oral and poster presentations. The title of the paper should be in Times New Roman with the font size of 14 and the rest of the text in font size of 12 with 1.5 linespacing. The authors are requested to upload the abstracts in respective link. Best oral and poster presentations will be awarded.

Registration Fee

National:

- Student/Research scholars
Participation only: **Rs. 800/-**
Presentation: **Rs. 1000/-**
 - Faculty members: **Rs. 1200/-**
 - Industry participants: **Rs. 1500/-**
- Registration fee is Nonrefundable**

International:

- Student/Research scholars
Participation only: **\$ 50**
Presentation: **\$ 100**
- Faculty members: **\$ 200**
- Industry participants: **\$ 200**
