

## Refund Policy for Nuera Wealth Code

### 1. General Overview

At Nuera Wealth Code, we are committed to providing high-quality digital educational resources and systems. Because our products are digital assets delivered immediately upon purchase, we maintain a specific policy regarding refunds.

### 2. Refund Eligibility

- **Digital Goods:** Due to the nature of digital products—including e-books, guides, and templates—all sales are final once the download link or access has been provided.
- **Non-Refundable:** We do not offer refunds for change of mind or for dissatisfaction with the content of the digital files. We encourage all customers to review product descriptions carefully before completing their purchase.

### 3. Exceptions

- **Technical Issues:** If you encounter a verified technical issue that prevents you from accessing or downloading your purchased PDF, please contact us within 48 hours of your purchase.
- **Resolution:** In cases of verified technical delivery failure where we cannot provide the product, we will issue a full refund to the original payment method.
