# Pastor's Note

# Holy Week

What is Easter without Holy Week?

The month of April will be a journey, a journey from Lent, into Holy Week and then Easter, on April 20th. Easter is one of the most highly attended services of the entire year, a pretty close second to Christmas Eve. Christmas, the birth of Jesus and Easter, the resurrection of Jesus are indeed very important to the life of a person of faith. But...what is Easter without Holy Week? Might I suggest that there would be nothing to celebrate at Easter if it weren't for Jesus' death?

I invite you to celebrate the fullness of Easter by coming to the Holy Week services. Wave the palm branches to welcome Jesus into town on Palm Sunday. Know the vulnerability of love as Judas, Jesus' friend, takes a bribe to betray Jesus. Experience Jesus the compassionate servant as he cares for the disciples at the Passover meal...spoiler alert, he even cares for those he knew would betray him.

We know the week ends in the death of Jesus. Good Friday isn't very good at all. We can hear the cries of the angry mob. I think the thing that gets me the most about the outcries is that most of them never met Jesus. They didn't know him. How can we kill something we don't know? Are we that uncomfortable with being uncomfortable?

We are an Easter people. We know the end of the story. We know that Good Friday has an anecdote. We know that God shows up. We know that those in power do not win in the end. We know that love conquers all. Resurrection and redemption are the songs we sing because He Lives.

I invite you to experience the entire story this year. Arrive at Easter by way of Holy Week...and you will taste the sweetness on your tongue when we sing, "God's redeeming work is done, Alleluia!"

## Holy Week Schedule:

Sunday, April 13th: Palm Sunday, 10 am (sanctuary)

Thursday, April 17th: Maundy Thursday Service with Holy Communion, 6:30 pm (sanctuary)

Friday, April 18th: Good Friday Service, 7:30 pm (sanctuary)

Sunday, April 20th: Sunrise Service, 6:25 am (outside under the covered entrance, portico).

Bring a fresh flower or branch from a tree to decorate the cross.

Sunrise Breakfast will be served at 7:00 am in the New Fellowship Hall

Sunday, April 20th: Easter Service, 10 am (sanctuary)

I close with a prayer from Joyce Rupp for Holy Thursday:

Dedicated Servant,  
There are certain times when I am called  
To perform menial tasks that I dislike.  
Wipe away any superiority or self-importance  
That clings to my resistance in serving others.  
I want to approach work in the way you did. Amen.

Garden club will meet at 7pm on April 1st. A beekeeper will give a presentation. All are welcome.

Cindy Hyle

## BCE Meeting - Sunday 3/2 at noon in the

**Conference Room** - Unable to attend our "Show the Love" Safe Church training event? It's not too late! Please contact Cindy McGee to get the Background Check form and the information for the 45-minute computer training. It is important that we have as many adults as possible who have been through the training.

## Mt. Hope Wishing Well Mission

### WE DID IT! We have enough for the 2nd well!

Thank you all so much that have participated!

Now we are on our way to the 3rd well!

The picture to the left is our wishing well, inside there is a bucket that everyone brings and drops in their pocket change or bills each Sunday when attending worship. This money is counted and saved until we get a total of \$3,000, which is how much is needed to build a well.

So the next time you are passing by our little well, please drop in your pocket change and help us provide clean drinking water to other well deserving people!

## Mt Hope BBQ

We have Mt Hope BBQ for sell! Cost is \$10 per 1 lb. container of frozen BBQ. Tell your friends and neighbors! It would be a shame to not share! Call Dee Greeson to place your order at 336-207-3079.

## Men of Valor are sponsoring a "Spring Forward Mattress

Collection" on Saturday, April 12 to benefit resettled families through ASC in our county in need of a place to sleep. All new and gently used mattresses & box springs and bedframes (no larger than a queen size) can be brought to the Old Julian Rd. parking lot on April 12th from 9:30-12:00 pm. Mattresses will be inspected upon delivery and no soiled mattresses will be accepted.

Next BCE meeting Sunday April 27th at noon in the conference room

## Women's Fellowship

**\*Remember the time change.**

Women's Fellowship April 8 at 10 am in the New Fellowship Hall.

Pondering. I hope you will ponder the following questions as you prepare for your discussion of Movement 1. The attached photo may help you ponder or maybe you have a favorite place where you ponder. Your pondering will prepare you for our discussion and activity on April 8.

In the book *Velvet Elvis*, Rob Bell says "when it comes to faith, everybody has it even atheists." Faith in what? Belief in what? What is in it? What have we put our faith in? Where did it come from? Did it originate from a mix of people and things and experiences? From grandparents? From nature? From someone placing their trust in you?

Are there bricks in your faith that cannot be moved? What questions have you asked? What questions do you continue to ask? Have you had 'aha' experiences that have deepened your faith? Where do your decisions about faith come from?

Were you surprised that Bell named the Trinity as a spring? Have you ever examined it, probed it, questioned it? Does it flex and stretch? The springs are huge-they hold up the mat-but they are not God. They are not Jesus.

Does that give you permission to ask questions? To recognize the paradoxes and the mysteries? Where is your faith living? In your heart? In your actions? Or stagnant on a shelf? Oh, we have so much to discuss, don't we? Your fearless leader, Marcia

Our Youth group consists of ages 6th - 12th grade and they meet on Sundays at 12 pm if you know of someone that would like to join! All are welcome!

The youth and four adults traveled to Johns River Valley Camp on March 15th. We got up early, and loaded the church bus at 6:30am to head to the mountains. Once we started driving down the last road before the turn to the camp, we could start seeing the devastation from Hurricane Helene. The riverbed had gotten so high during the storm and moved so much of the riverbed, trees, and huge boulders. Gary Owens, a longtime counselor at the camp stated on our way that he had never seen the camp like this. Once we got to the camp, we were introduced to the dining hall where we got a brief snack before getting right to work. We were stationed around the camp and our various jobs included splitting wood, stacking wood, loading wood into a trailer, and throwing wood into a natural pit made by the storm. In no time, we started seeing the efforts of our hard work pay off as the fire got bigger and the piles of debris cleared away. We stopped for lunch where we were treated to delicious pulled pork, and got to sit with Executive Director Kevin. We got to learn more about camp in the summer, and also about all the work that has happened and will continue to be happening as they get ready for summer camp. On our way back, we stopped at the Humane Society of Catawba County to unload over 450 pounds of cat food, dog food, cat litter, toys, and other animal supplies that you all helped us to collect. The folks at the shelter were immensely grateful, and we got to visit with the cats and dogs and learn more about their stories.

On behalf of those that went, we are so grateful for the church's support of our pet supply drive and of our trip. It was an impactful trip in many ways. I told the youth that not many kids would choose to go on a work trip on their weekend and what may only be their only free day of the week. On the way home, Pastor Kristin led us in a short reflection where we all shared one thing we would hold with us for the weeks to come from this trip. Hearing all of the different impacts from the youth and adults alike will be something I will continue to hold with me. We have truly awesome youth, and I encourage the congregation to ask them about our trip.

If you are interested in how you may be able to continue to help Johns River Valley Camp, please reach out to Julianna and she will get you connected with the right people.

Thanks be to God for an inspirational day!"

## Wise Moment

Did You Know... that studies show that wearing something you love - whether it's a family ring, your favorite pair of earrings or a beautiful necklace can improve your self-image? It can bring emotion, symbolism and energy to our lives. This positive effect on our self-esteem can also have an effect on our overall mental wellness. We will be creating an Origami Owl locket which is customized with charms to tell a personal story. Please come join us on Friday, April 11 at 4:30 P.M. in the Gathering Room to build a necklace for yourself or as a gift to spread love and kindness. Just in time for Mothers Day!

Please register by the coffee serving table.

Spring reminds us of God's creation...We are in awe of the beautiful flowers which are blooming all around us. We will be partnering with NAMI, NC Cooperative Extension, Guilford County Parks and Home Depot at 3309 Burlington Rd to make your very own Healing Herb Container Garden. Join us from 10 to 12 on Monday, April 7, we will begin with a cup of tea and after a short program about herbs, you can select your favorite three herbs and plant them in a planter to take home with you. And the best part, it is free! Taking care of plants and seeing them grow can remind us of our own self care. Anyone interested can meet at the church at 9:20 a.m. and the church bus will promptly leave at 9:30 a.m. Come grow with us! Please register by the coffee serving table.
