Introduction

Unique Rocks Valley For contracting is a very specialized at landscaping and all works of stone.

Our ambition is the satisfaction of our customers.

Regarding the stone, we are dealing with all kinds of stone whither they are natural or factory saw cut, As well as we are suppling and fixing all kinds of marble and granite. Always we are ready at good quality, accuracy at work and appointments of implementing work Regarding the maintenance of green spaces, we have a special division at our site his mission is to supply government bodies and big companies with a special team of farmers and supervisors whether for short time or long time. Also we supply all materials and machines for agriculture works.

Regarding landscape we are dealing with the following: 1-making design for all kinds of gardens which they are public grandness or special gardens. 2-suppling and planting all kind of tree, flowers natural grass and artificial grass. 3- making mentainace for gardens and green spaces also, suppling any number of agricultural workers and supervisors.

We have implemented works of landscape and natural stone with the following authorities:

-Al Diraih gate (company of (unimac)

-Project of Sullay valley (company of cericon)

-King Abdulla road landscape and stone (city scape company)

-King Fahad road landscape and stone (city scape company)

-At present time we are working with **AI RASHED TRADING AND CONTRACTING CO. AT WADI SAFAR** using all kinds of stone.

The U.R.V. Advantage

Integrated Solutions

- **Established Foundation:** Unique Rocks Valley For Contracting (U.R.V.) was founded with a clear vision to bridge the gap between high-quality natural stone supply and expert landscape contracting.
- **Integrated Expertise:** We offer a seamless, end-to-end service model that encompasses design, material sourcing, supply, and professional installation for both hardscape and softscape elements.
- **Commitment to Uniqueness:** Our name reflects our dedication to sourcing and utilizing unique, high-grade materials, ensuring every project possesses a distinct and lasting aesthetic.
- **The U.R.V. Difference:** We simplify complex projects by acting as a single, reliable partner, guaranteeing consistency in quality, execution, and project delivery.

Our Strategic Compass

Vision

To be the most trusted and innovative provider of natural stone and sustainable landscape solutions, setting the benchmark for quality and design excellence across the Kingdom of Saudi Arabia.

Mission

To deliver exceptional value to our clients by combining superior material quality, expert craftsmanship, and environmentally responsible practices, ensuring the successful realization of every project.

Our Unwavering Principles

The Pillars of U.R.V.

Quality & Craftsmanship

We commit to the highest standards in material selection and installation, ensuring durability and aesthetic perfection in every project.

Innovation & Design

Continuously seeking new techniques and creative designs to maximize the potential of natural materials and spaces.

Client-Centricity

Placing the client's vision at the core of our operations, ensuring clear communication and tailored solutions for every need.

Integrity & Transparency

Operating with honesty in all our dealings, from material pricing to project timelines, building trust with every client.

Sustainability & Responsibility

Prioritizing environmentally sound practices and using materials that contribute to long-term ecological balance.

Comprehensive Capabilities

U.R.V. provides specialized services across three interconnected domains, allowing for holistic project execution and quality control.

Pillar 1: Natural Stone Supply & Installation

Sourcing, cutting, and installation of a wide variety of natural stones for diverse applications.

Pillar 2: Landscaping & Hardscaping

Full-service landscape design, softscape, and hardscape construction with sustainable practices.

Pillar 3: General Contracting & Project Management

Reliable execution and management of diverse construction and infrastructure projects.

Sourcing Excellence

The Strength and Beauty of Natural Stone

Global Sourcing

Access to a diverse portfolio of natural stones, including premium marble, granite, limestone, and high-quality local Saudi stone.

Custom Fabrication

State-of-the-art cutting and finishing capabilities to meet precise project specifications (e.g., cladding, flooring, custom features).

Quality Control

Rigorous inspection process from quarry to site to ensure material consistency, durability, and aesthetic appeal.

Applications

Ideal for facades, interior flooring, pathways, retaining walls, and bespoke architectural features.

Reliable Execution

Delivering Complex Projects with Precision

- **Project Management:** Dedicated project managers overseeing all phases, ensuring strict adherence to timelines and budget.
- **Quality Assurance:** Implementation of comprehensive quality management systems to monitor all construction activities.
- **Safety Standards:** Unwavering commitment to site safety, complying with all local and international regulations.
- **Scope:** Experience in managing and executing civil works, infrastructure, and specialized contracting tasks related to our core services.

Proven Track Record
