**Most gap year students wait.
Our fellows accelerate.**

The Future Physicians Fellowship transforms your gap year into the strongest asset on your medical school application.

ABOUT THE FELLOWSHIP

The Future Physicians Fellowship is a 6–12 month, application-based, cohort-driven program designed for ambitious pre-medical graduates who want structured growth — not passive waiting. Fellows integrate interview mastery, public health training, health systems literacy, innovation, ethics, productivity, and leadership into a single transformative experience.

WHAT THE FELLOWSHIP INCLUDES

IVY Full Platform Access

750+ questions, unlimited practice, all nine systems

<https://infinityivyconsulting.io/ivy>

Core Academic Curriculum

Health Systems, Drug Discovery, AI in Healthcare, Public Health & Social Justice, Ethics in Medicine

Application & Strategy Mastery

AMCAS/AACOMAS strategy, personal statement, activities section optimization

Professional Development

Productivity Systems for Future Physicians, Wellness in Medicine & Burnout Prevention

Capstone Project

Public health intervention, health systems innovation, policy analysis, or research white paper

Monthly Physician Forums

Live virtual sessions with physicians across specialties, entrepreneurship, policy, and research

Certificates & Letter of Rec

Multiple Certificates of Achievement + Letter of Recommendation upon completion

WHO THIS IS FOR

- Pre-medical graduates in a gap year
- First-generation applicants seeking structured mentorship
- Re-applicants rebuilding their profile strategically
- High-achievers who want more than interview prep
- Students committed to entering medical school as prepared leaders

BCPH ADVANCED PATHWAYS

Select fellows may apply for additional BCPH experiences:

- Editorial Fellowship — academic publishing
<https://bcph.org/editorial-fellowship-2026/>
- World Delegates Program — global health leadership
<https://bcph.org/global-delegates-program/>
- Research Scholars Program — structured scholarly output
<https://bcph.org/research-scholar/>
