

Universe Speaks Oracle Deck

Quick Reference Guide

*Clear Answers, Guidance & Timing
Easy Interpretations for All 78 Cards*

by Matthew Zidan Kwan

What This Deck Is Used For:

*Universe Speaks is an oracle of **direction, timing, and alignment**. It is designed to answer questions about what is unfolding now, whether to act or wait, obstacles and openings, and the movement of energy over time.*

This deck functions as a navigation system rather than a psychological analysis.

When you draw a card, you are asking:

“What is the universe signaling right now?”

How to Use This Guide:

This Quick Reference Guide is designed for fast clarity during readings.

Each card entry includes:

- ***Card Name*** – the core theme
- ***Card ID*** – for reference
- ***Answer*** – the direct response
- ***When This Appears*** – the condition being reflected
- ***Next Step*** – the recommended action
- ***Common Misread*** – a frequent interpretation error

Read the Answer first.

Simple Ways to Use This Deck

Single-Card Pull (Most Common)

Shuffle the deck while focusing on your question.

*Pull one card and read the **Answer** first.*

Use

- ***When This Appears*** to understand the situation
- ***Next Step*** to know how to respond
- ***Common Misread*** to avoid misinterpretation

This deck speaks directly. Trust the first message.

Yes / No Clarity Pull

Ask a clear question.

Draw one card.

- “Yes” cards indicate alignment or permission
- “No” cards indicate limits, timing, or redirection
- Timing cards clarify when, not if

*Read the **Answer**, then stop.*

Daily Direction Pull

At the start of the day, ask:

“What is the universe signaling for me today?”

Pull one card.

*Let the **Next Step** guide your actions.*

This deck works best when used briefly and consistently.
