Integrity Expertise Leadership

About US!

We take immense pride in delivering exceptional turnkey engineering and construction solutions.

Our commitment is to keep transparency and timely execution without compromising quality. This has helped us take giant leaps in this industry.

The primary objective of SAS Decoration and Construction is to deliver accurate and reliable construction. Critical to the objectives of each client is the scorecard that measures our performance.

Our Vision

Our expertise in estimating, construction, project management and preconstruction services ensures that our customers receive a quality product at a fair price and in a reasonable time frame

Background and Context

SAS Construction is a full-service construction firm whose mission is to build a legacy of excellence.

Our expertise in estimating, construction, project management and pre-construction services ensures that our customers receive a quality product at a fair price and in a reasonable time frame. This is accomplished through the selective use of responsible trade partners, hiring and retaining first-class employees, and working for clients that share a belief in open, honest, and direct communication.
